REGULATORY SETTLEMENT AGREEMENT

This Regulatory Settlement Agreement (“Agreement”) is entered into as of this 11 day of December, 2017 by and between American Modern Home Insurance Company, the Signatory Lead States and the insurance regulators who, on behalf of their agencies, have executed the form of “Participating State Adoption” set forth as Exhibit A, pursuant to the definitions, terms and conditions set forth below.

A. Recitals

1. At all relevant times during the Examination Period the Company has been a licensed insurance company domiciled in the State of Ohio and authorized to write Travel Insurance in the Participating States. The Company has offered and sold Travel Insurance policies in the Participating States.

2. Beginning in 2014, the Lead States initiated targeted market conduct examinations of certain travel insurance companies, including American Modern Home Insurance Company. Market conduct examination warrants were issued by the Missouri Department of Insurance (and subsequently amended) to the Company regarding travel insurance practices relating to “underwriting and rating, policyholder service, claims, producer licensing, marketing and sales, complaints, and operations/management,” covering the period from January 1, 2010 through December 31, 2014 and rates and underwriting information for the period of January 1, 2010 through June 30, 2017. This Examination was supported by the efforts of the National Association of Insurance Commissioners’ Market Action Working Group.

3. As part of the Examination, the Lead States have raised a number of regulatory issues with the Company which the Lead States seek to address, clarify or remedy by this Agreement.

4. The Company has cooperated with the Lead States and their examiners and vendors during the course of the Examination by making its books and records available for examination, responding to questions from, and meeting on multiple occasions with the Lead States and their consultants, and making its personnel and agents available to assist as requested by the Lead States. The Company asserts that at all times relevant to this Agreement, including, but not limited to, the Exam Period, the Company and its officers, directors, employees, agents and representatives acted in good faith and in a manner they believed to be in the best interest of the Company's policyholders and in compliance with all applicable Insurance Laws.

5. The Company denies any wrongdoing or activity that violates any applicable laws or regulations, but in light of the complicated issues raised and the probability that long-term litigation and/or administrative proceedings would be required to resolve the disputes between the Parties hereto, the Parties have agreed to resolve all issues relating to the Examination and the regulatory issues through this Agreement. The Participating States and the Company voluntarily enter into this Agreement solely for the purpose of reaching a compromise and settlement to fully and finally resolve the issues raised in the Examination without the need for a hearing or further administrative action.

6. All matters encompassed within the scope of this Agreement and addressed in this Agreement, shall be fully and finally resolved according to the terms of this Agreement without further regulatory or administrative processes or any actions, requirements or monetary payments beyond those enumerated herein.

7. The terms and conditions of this Agreement will apply in all of the Participating States, unless inconsistent with a Participating State's Insurance Laws, in which case the inconsistent provision of the Agreement will be rendered ineffective only in the Participating State(s) whose Insurance Laws conflict with the provision.

No contract that contains a free look provision shall allow any Distribution Participants to keep any fees collected from the purchaser for the sale of the Company's Travel Insurance if a valid cancellation occurs. 5. Confidentiality of Monitoring. The monitoring of the Company for compliance with the terms of this Agreement constitutes an ongoing examination by each of the Signatory Lead States pursuant to each of their respective jurisdiction's laws. Consistent with applicable law, each Lead State shall accord confidential treatment to the work papers, recorded information, and other documents produced by or disclosed by the Company.

6. Monitoring Costs. During the Monitoring Time Period, the reasonable costs and expenses of the Signatory Lead States related to the monitoring of the Company's compliance with this Agreement, including the costs and expenses of conducting the ongoing examination referenced in Section E (4) and (5), shall be borne by the Company.

7. No Additional Exams. During the Monitoring Time Period, if the Company complies with all provisions contained in this Agreement, the Participating States agree they will not initiate any market conduct examinations and/or investigations relating to any of the issues subject to this Agreement other than the ongoing examination by the Signatory Lead States referenced in Section E (4) above.

8. Enforcement. The execution of this Agreement by the Signatory Lead States and the timely adoption of this Agreement by the Participating States constitute the entry of an Order by each Signatory Lead and Participating State. The failure to comply with any provision of this Agreement shall constitute a breach of the Agreement and a violation of an Order of each Participating State. Any enforcement action brought by any Participating State shall be in conformity with the provisions of this paragraph. If a Participating State believes that the Company has breached a provision of this Agreement, including, but not limited to, the Business

Reforms that Participating State shall provide written notice of the alleged breach to the Company and will also notify the Signatory Lead States that the alleged breach has occurred. Company shall have the opportunity, within fifteen (15) business days of receipt of such notice, to present evidence in writing and/or through appearance before the state insurance regulator in an attempt to rebut the allegation(s) or to seek an extension to address the alleged breach. Company shall have forty-five (45) business days from the date of receipt of the state's written breach notice to cure any breaches, unless the Parties agree to an extension. The Participating State and the Company agree to act and negotiate in good faith to resolve any alleged breach of the Agreement. A breach constitutes a breach of the entire Agreement only if the breach is deemed material, which for purposes of this Agreement means a significant, substantial failure in the performance of the Agreement, and central to the entire Agreement. The failure of the Company to cure a non-material breach within the forty five (45) days permitted by this Section also constitutes a material breach. A breach may be deemed material in a Participating State without being material in all Participating States. A material breach of this Agreement shall constitute the violation of an Order where determined in any Participating State in which the material breach occurs. A Participating State shall not pursue any enforcement action against the Company until the 45 day cure period has expired, but may then seek, without limitation, to enforce the provisions of this Agreement through administrative or legal enforcement actions and may seek penalties for violations of this Agreement. Any enforcement action brought by any Participating State shall be governed by the laws and regulations of that Participating State.

9. Governing Law. Any action or proceeding to enforce the provisions of this Agreement brought by any Participating State shall be governed by the laws and regulations of

such Participating State. This Agreement shall be governed by, and interpreted in accordance with each Participating State's law

10. Release. Each Participating State hereby agrees to and does release the Company and any of its parents and subsidiaries, successors, assigns, officers, directors and employees from any and all claims, sanctions, losses, demands, interest, penalties, actions or other causes of action that each Participating State may have by reason of any matter, cause or thing whatsoever, regarding or relating to this Examination and the issues raised in this Examination, or encompassed by the scope of this Agreement or as a result of any practices revealed by the Examination, to the extent such practices commenced prior to the Effective Date of this Agreement. Notwithstanding the foregoing, this Agreement is not intended to, nor may it be construed to, limit a Participating State's authority to investigate, examine or act upon any noncompliance of the Company with Insurance Laws regarding matters not within the scope of this Agreement. Further, nothing in this Agreement limits the authority of the Participating States to conduct any regulatory functions, including but not limited to dealing with specific instances of consumer complaints, licensing of insurers, Administrators, producers and other entities, or rate and form filings. This Agreement is not intended and may not be construed to limit the authority of any Participating State to investigate, examine and take appropriate action as to matters outside the scope of this Agreement. Except as provided herein, nothing in this Agreement shall be construed to waive or limit any rights the Participating States may have to regulate the Company or to seek such other remedies for a violation of law or regulation.

11. Subsequent Law. If a Participating State adopts an Insurance Law relating to or conflicting with any provision of this Agreement, then application of such provision of this Agreement shall be superseded by such Insurance Law or regulation as it applies in that

Participating State (and that state alone), provided that all other unaffected terms and conditions of the Agreement shall remain in full force and effect.

12. Non-Admissibility. Neither this Agreement nor any part thereof, nor any act performed or document executed pursuant to or in furtherance of this Agreement, is now or may be deemed in the future to be an admission of or evidence of liability or any wrongdoing by the Company or any of its parents and subsidiaries, successors assigns, officers, directors and employees.

13. No Admission of Liability. This Agreement does not constitute an admission of liability, violation, or wrongdoing by the Company and the Company expressly denies that any of its actions or alleged actions were knowingly committed or represented a pattern and/or business practice that would violate the insurance unfair trade practice laws, claims settlement laws, or any other applicable statutes or regulations of any of the Participating States. Neither this Agreement nor any part thereof, nor any related negotiations, statements or court proceedings shall be offered by the Company, the Signatory Lead States, the Participating States or any third party as evidence of an admission, denial or concession of any liability or wrongdoing whatsoever on the part of any person or entity, including but not limited to the Company or the Participating States, as a waiver by the Company or the Participating States of any applicable defenses, including without limitation any applicable statute of limitations or statute of frauds; or as a waiver by the Participating States of any regulatory authority regarding the matters addressed in the Examination.

14. No Impairment of Legal Activity. This Agreement does not impair, restrict, suspend or disqualify the Company from engaging in any lawful business in any jurisdiction,

based upon, or arising out of, the Examination regarding any alleged act or omission of the Company.

15. No Impact on Current Travel Insurance. Nothing in this Agreement or any of its terms and conditions shall be interpreted to alter in any way the terms or the validity of any of the Company Travel Insurance policies or certificates issued prior to the Effective Date, except to the extent that the Company is required by the Agreement to provide refunds to purchasers of Travel Insurance pursuant to Section D of this Agreement. Nothing in this Agreement shall be interpreted to release the Company from its obligation to pay claims in accordance with policy provisions. Further, nothing in this Agreement shall be interpreted to relieve the Company of its obligations to process consumer complaints in accordance with applicable law.

16. Extensions. The Signatory Lead States and the Company may mutually agree, in writing, to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement. In the event the Company believes it will be unable to meet a deadline under the Agreement, the Company will promptly, but in no event less than fourteen (14) business days prior to the deadline in question, inform the Signatory Lead States. The Company will use its reasonable best efforts to meet any such deadline as soon as practicable. The Signatory Lead States agree that they will consider all requests for extensions from the Company in good faith.

17. Amendments. No amendments shall be made to this Agreement except in writing and where agreed to by the Signatory Lead States on behalf of the Participating States. Nothing in this Agreement is meant to prohibit a Participating State from entering into a separate agreement with the Company regarding its Travel Insurance practices and procedures in that state.

18. Notice and Request for Modification. The Signatory Lead States will notify the Company of any Agreements or terms of Agreements that they enter into with any other Travel Insurance companies that is inconsistent with the Business Reforms adopted in this Agreement. Upon receipt of such notice, Company may seek a modification to this Agreement relating to the Business Reform at issue from the Signatory Lead States, and the Signatory Lead States will not unreasonably withhold consent to such a request for modification.

19. Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be deemed an original and all of which, when taken together, shall constitute one and the same Agreement. Execution and delivery of this Agreement may be performed by e-mail or facsimile transmission.

20. Headings. The section headings herein are intended for reference and shall not by themselves determine the construction or interpretation of this Agreement.

21. Severability. If any term or provision of this Agreement is determined by any court, regulatory or governmental agency to be illegal, unenforceable or invalid in whole or in part for any reason, such illegal, unenforceable or invalid provision or part thereof shall be deemed stricken from this Agreement, and such provision shall not affect the legality, enforceability or validity of the remainder of this Agreement. Additionally, in the event that a court, regulatory or governmental agency determines that the Company has failed to satisfy a provision of this Agreement, pursuant to the Enforcement provision in Section E (8), it is the intent of the Parties that the remainder of this Agreement and its corresponding obligations and provisions are not affected thereby and remain in effect.

22. Preservation of Rights. This Agreement shall not confer any rights upon any persons or entities other than the Parties to it or extinguish any such rights, and the Agreement is

not intended to be used for any other purpose. This Agreement shall be governed by, and interpreted in accordance with each Participating State's law

23. Participating State Adoption. States may adopt this Agreement and become Participating States if they execute and return to the Signatory Lead States a Participating State Adoption in in the form of Exhibit A on or before forty five (45) days from the date this Agreement is executed by the Managing Lead State.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED THIS AGREEMENT AS OF THE DATE SET FORTH AFTER EACH OF THEIR NAMES.

- No one may offer or sell travel insurance policies using an opt-out marketing -plan unless using opt-out for insurance is permitted by applicable law.
- No one may undertake to engage in underwriting or taking risk that would be considered the business of insurance, as defined by law, without a valid certificate of
