

Opioid Prescribing Policy Report

Only one company per report
Due July 15th each year

Date of Submission	
Company Name	
NAIC Cocode <i>(if applicable)</i>	
Contact Name	
Contact Email	
Contact Telephone	

This form applies to companies that are defined as a “health insurer” under Utah Code § 31A-22-615.5.

Please only submit one company per filings with multiple companies in one report will not be accepted. A separate report must be completed for each insurer.

Does your company have a “prescribing policy” as defined under § 31A-22-615.5(1)(d)?	
Yes No	
If Yes, then ...	If No, then ...
Please provide a general description of your company’s prescribing policy in the second page of this document. Please limit your response to one page. The information in this form may become public. Do not include any information that would be considered proprietary or business confidential.	Please submit the report with all of the required contact information above and mark no in the three check boxes.
If Yes, then does your “prescribing policy” include evidence based guidelines from ... <i>(Mark all that apply)</i>	
The 2016 Center for Disease Control Guidelines for Prescribing Opioids for Chronic Pain? Yes No	
The Utah Clinical Guidelines on Prescribing Opioids for the treatment of pain? Yes No	

This report must be submitted in Adobe PDF format, named in the following convention, naiccocode-Utah-OpioidPolicy.pdf, i.e., 99999-Utah-OpioidPolicy.pdf.

The NAIC Cocode only applies to commercial health insurers licensed with the State of Utah. For self funded entities, substitute your company name.

The Utah Insurance Department (UID) will only accept electronic submissions of the report as an Adobe PDF via the UID secure file upload website at <https://forms.uid.utah.gov/insurance/fileUploads/>. The report should be submitted under the Health Research Division. Any other forms of data submission are not acceptable.

Should you need assistance or have questions, please contact Rebecca Dyer, Research Assistant at (801) 957-9281 or uid.healthresearch@utah.gov.
