Appendix 2: Regulatory Impact to Non-Small Businesses

This rule change is not expected to have any fiscal impacts on large businesses revenues or expenditures, because it merely provides updated language to reflect regular changes to two forms the Department uses but that are published by another entity. The Department is a member state of the National Association of Insurance Commissioners and does not expect to diverge from their usage of the forms in question.

The head of the Insurance Department, Todd E. Kiser, has reviewed and approved this fiscal analysis.

**"Non-small business" means a business employing 50 or more persons; "small business" means a business employing fewer than 50 persons.
