General Information

2. Rule or section catchline:
   Access to Health Care Providers in Rural Counties

3. Purpose of the new rule or reason for the change (If this is a new rule, what is the purpose of the rule? If this is an amendment, repeal, or repeal and reenact, what is the reason for the filing?):
   The rule is being amended to update two lists in the rule, remove two definitions, update a code citation, and make clerical changes.

4. Summary of the new rule or change:
   The major changes include updates to the lists of independent hospitals and federally qualified health centers in the rule, remove the definitions of "credentialed staff member" and "federally qualified health center" that are no longer necessary, and update citations to the relevant code section, which is now Chapter 31A-45, Managed Care Organizations. Other amendments include minor clerical and style changes.

Fiscal Information

5. Aggregate anticipated cost or savings to:
   A) State budget:
   There is no anticipated cost or savings to the state budget. The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. These changes are known in the industry and insurers are already operating in compliance with the changes.

   B) Local governments:
   There is no anticipated cost or savings to local governments. The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. There are no compliance requirements for local governments in the rule.

   C) Small businesses ("small business" means a business employing 1-49 persons):
There is no anticipated cost or savings to small businesses. The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. There are no compliance requirements for small businesses in the rule.

**D) Non-small businesses** ("non-small business" means a business employing 50 or more persons):

There is no anticipated cost or savings to the state budget. The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. These changes are known in the industry and insurers, which are the only non-small businesses affected, are already operating in compliance with the changes.

**E) Persons other than small businesses, non-small businesses, state, or local government entities** ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an agency):

There is no anticipated cost or savings to any other persons. The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. There are no compliance requirements for any persons in the rule.

**F) Compliance costs for affected persons:**

The changes largely update the lists of independent hospitals and federally qualified health centers located in rural areas of Utah. These changes are known in the industry and insurers, which are the only non-small businesses affected, are already operating in compliance with the changes. There are no compliance costs for any other persons.

**G) Regulatory Impact Summary Table** (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)

10. This rule change MAY become effective on (mm/dd/yyyy): 07/22/2020

NOTE: The date above is the date on which this rule MAY become effective. It is NOT the effective date. After the date designated in Box 10, the agency must submit a Notice of Effective Date to the Office of Administrative Rules to make this rule effective. Failure to submit a Notice of Effective Date will result in this rule lapsing and will require the agency to start the rulemaking process over.

Agency Authorization Information

To the agency: Information requested on this form is required by Sections 63G-3-301, 302, 303, and 402. Incomplete forms will be returned to the agency for completion, possibly delaying publication in the Utah State Bulletin, and delaying the first possible effective date.

(c) was treated by the Secretary of Health and Human Services as a comprehensive Federally funded health center as of January 1, 1990; or
(d) is an outpatient health program or facility operated by a tribe or tribal organization under the Indian Self-Determination Act, 25 U.S.C. 450f, or by an urban Indian organization receiving funds under title V of the Indian Health Care Improvement Act, 25 U.S.C. 1651.

(4) ["Local practice location" means the provider's office where services are rendered,[which is]
(a) The local practice location is permanently located within a county with a population density of:
(i) less than 100 people per square mile prior to December 31, 2000; or
(ii) less than 30 people per square mile.
(b) The local practice location is within 30 miles of paved roads of:
(i) the place where the enrollee lives or resides; or
(ii) the location of the independent hospital or federally qualified health center at which the enrollee may receive covered benefits pursuant to Subsections 31A-[8-501(2)]45-501(2) or 31A-45-501(3).
]

(5) ["Policy and financial decisions" means the day-to-day decisions made by the local [B]oard of directors with regard to an independent hospital's policy and financial solvency.

(6) ["Provider" means any person who:
(a) furnishes health care directly to the enrollee; and
(b) is licensed or otherwise authorized to furnish the health care in [this state] Utah.
]

(7) ["Referral" means:
(a) the request by a health care provider for an item, service, test, or procedure to be performed by another health care provider;
(b) the request by a physician for a consultation with another physician; or
(c) the request or establishment of a plan of care by a physician.
