The Presiding Officer being fully advised in the premises and taking administrative notice of the files and records of the Department, now enters his *Findings of Fact, Conclusions of Law, and Order*, on behalf of the Department:

## **FINDINGS OF FACT**

**I, find by a preponderance of the evidence, the following facts:**

### *Preliminary-Procedural Facts* (Paragraphs 1-7)

1. The Utah Insurance Department (“Department”) is a governmental entity of the State of Utah. The Department as per Utah Code Ann. Section 31A-2-101 is empowered to administer the *Insurance Code*, Title 31A, Utah Code Ann., 1953, as amended.

2. The Applicant, Lonnie Jake Morrell:

a. is a resident of the State of Utah and maintains a present residence of [REDACTED]

[REDACTED] and

b. has not previously been nor is presently licensed by the Department to conduct or be engaged in any capacity in the insurance business in the State of Utah.

3. The Applicant on or about March 14, 2010 filed his application with the Department for issuance of a “*Resident Producer Individual License*”. (SEE Administrative file.)

4. The Department on or about March 31, 2010 in writing denied Applicant's application for “one or more of the following reasons:

UCA 31A-23a-111-5(b)(ix) – providing information in the license application that is incorrect, incomplete, or materially untrue;

UCA 31A-23a-107; Failure to meet the character requirements for licensing“

5. That included in said denial were instructions informing Applicant of the right to an “*informal hearing*” if a timely request is made in writing within fifteen (15) days.

6. The Applicant under date of April 6, 2010 filed a “*request for hearing*” with the Department. (SEE Administrative file.)

7. That based on the preliminary facts as set forth in Paragraphs 1 through 6, immediately above, through means of a September 14, 2010 “*Notice of Conversion to Formal Proceedings and Notice of Hearing*”, *sua sponte*, mailed to the Applicant at his referenced address this present formal hearing was set for October 13, 2010 at 9:30 A . M. Mountain Time.

*Operative Facts*  
(Paragraphs 8 -9)

8. The Applicant is a resident of the State of Utah.

9. The Applicant:

a. has been arrested, convicted or plead guilty to numerous misdemeanors in the 1998 to 2004 timeframe;

b. initially failed to disclose his previous criminal activity on his March 14, 2010 application; with the Applicant initially answering “No” to the pertinent criminal questions and such being discovered by BCI/FBI and court docket checks by the Department; the Applicant on March 30, 2010 sending a one page fax disclosing, but not fully detailing his circumstances..

**DISCUSSION-ANALYSIS**  
(Paragraphs 1-8)

1.a. Both the Applicant and the Department in large measure while advocating **clearly** different characterizations or interpretations and import of the above referenced operative facts in substance concurred as to the basic *chronology* and **core** facts.

b. The record now being complete sets forth competent and credible evidence for the entry of the following analysis.

2. The question(s) presented is:

a. “Whether the Applicant has presented sufficient evidence to show that the Department’s March 31, 2010 letter of denial of the Applicant’s March 14, 2010 application for licensure as a “*Resident Producer Individual*” was not justified on the record?”;

b. “Whether the Applicant has presented sufficient evidence that would justify the reversal of such March 31, 2010 denial?”; and

c. “Whether as per U. A. C. Rule, R590-160-5(10) as to each of the above and foregoing “issues” or “questions” the Applicant has so shown such evidence by a “*preponderance of the evidence*” sufficient to carry Applicant’s burden of proof?”

3. Primary Applicable Pertinent Statutes, Administrative Rules and Precedent are as follows (although others may be otherwise specifically cited within the body of this “Order on Hearing”):

a. Section 31A-23a-107, Utah Code Ann., reads as follows:

**“31A-23a-107. Character requirements.**

Each applicant for a license under this chapter shall show to the commissioner that:

(1) the applicant has the intent in good faith, to engage in the type of business that the license applied for would permit;

(2) if a natural person, the applicant is competent and trustworthy; or, if the applicant is an agency, all the partners, directors, or principal officers or persons having comparable powers are trustworthy, and that it will transact business in such a way that all acts that may only be performed by a licensed producer, limited line producer, customer service representative, consultant, managing general agent, or reinsurance intermediary are performed exclusively by natural persons who are licensed under this chapter to transact that type of business and designated on the agency’s license;

(3) the applicant intends to comply with Section 31A-23a-502; and

(4) if a natural person, the applicant is at least 18 years of age.”

4. While the Applicant's record is not extensive it primarily involves non-traffic offenses such as criminal trespass, criminal mischief and alcohol. While "youthful indiscretion" may be argued that is not the standard. The standard is "respect for the law". Here the Applicant falls short.

5. Even putting aside the Applicant's past problems it is (was) the Applicant's failure to initially disclose his past on his March 14, 2010 application that is most disconcerting. Applicant attempts to minimize such as an "*oversight*" or "*mistake*".

6. a. Without belaboring Applicant's history it is the Applicant's attitude or approach of minimizing and or blame-shifting revolving around a basic pre-requisite to work in any capacity in any profession or occupation or business venture, especially the insurance business ----- *the ability to tell the truth and be honest.*

b. The characteristic of trustworthiness is **the** prime character qualification of Section 31A-23a-107, U. C. A., for all other characteristics requisite to engage in the insurance industry for the protection of the public interest of necessity flow from it.

7. The Department in licensing the Applicant or any individual in comparable circumstances to the Applicant would be breaching its responsibilities to the public.

8. a. The Presiding Officer while having heard the witnesses and reviewed the documentary evidence cannot peer into the heart, mind and conscience of any witness to assist him or her in making the most appropriate decision. The Presiding Officer can only look at and weigh the **present** evidence before him.

b. Here in the **present** instance the burden is/was on the Applicant to:

i. **Present** sufficient evidence to show that the Department's denial was not justified on the record; and

- ii. **Present** sufficient evidence that would justify the reversal of such denial.
- c. This the Applicant has failed to do.
- d. The Applicant's March 14, 2010 application was properly denied based on the record before the Department.

**BASED ON THE ABOVE AND FOREGOING FINDINGS OF FACT** and discussion-analysis the Presiding Officer enters the following:

**CONCLUSIONS OF LAW**

1. a. The Applicant having been convicted of multiple misdemeanors, albeit in large measure non-violent, and the Applicant failing to initially disclose his past history on his application such bespeak cumulatively of a lack of respect for the rule of law and thereby a lack of being “*trustworthy*” as required by the character qualifications of Section 31A-23a-107, UCA, 1953, as amended.

2. The Applicant does not meet the character qualifications for licensing outlined in Section 31A-23a-107, UCA, 1953, as amended.

3. The issuance of a “*Resident Producer Individual*” license would be in contravention of the intent and purpose of Section 31A-23a-107, UCA , which based on “Conclusions of Law” No.s 1 and 2, immediately above, the Department in the practice of good public policy and the protection of the public welfare cannot at this time do.

4. The Department’s “*letter of denial*” under date of March 31, 2010 should be affirmed.

5. The Applicant's March 14, 2010 application for licensure as a “*Resident Producer Individual*” should be denied.

**AND BASED ON THE ABOVE AND FOREGOING CONCLUSIONS OF LAW**

the Presiding Officer enters the following:

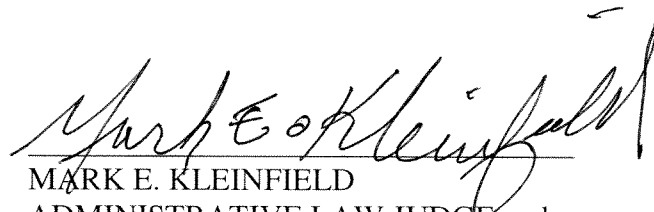

**ORDER**

**WHEREFORE, IT IS ORDERED that:**

1. The Department's "*letter of denial*" under date of March 31, 2010 is **affirmed**;  
and
2. The Applicant's March 14, 2010 application for licensure as a "*Resident Producer Individual*" is **denied**.

**DATED and ENTERED** this 6 day of December, 2010.
