General Information

2. Rule or section catchline:

R590-274. Submission and Required Disclosures of Public Adjuster Contracts

3. Purpose of the new rule or reason for the change:

The rule is being changed in compliance with Executive Order 2021-12. During the review of this rule, the department discovered a number of minor issues that needed to be amended.

4. Summary of the new rule or change:

The majority of the changes are being done to fix style issues to bring the rule text more in line with current rulewriting standards. Other changes make the language of the rule more clear, remove the Penalties and Enforcement Date sections, and update the Severability section to use the department's current language. The changes do not add, remove, or change any regulations or requirements.

Fiscal Information

5. Provide an estimate and written explanation of the aggregate anticipated cost or savings to:

A) State budget:

There is no anticipated cost or savings to the state budget. The changes are largely clerical in nature, and will not change how the department functions.

B) Local governments:

There is no anticipated cost or savings to local governments. The changes are largely clerical in nature, and will not affect local governments.

C) Small businesses ("small business" means a business employing 1-49 persons):

There is no anticipated cost or savings to small businesses. The changes are largely clerical in nature, and will not affect small businesses.

D) Non-small businesses ("non-small business" means a business employing 50 or more persons):

There is no anticipated cost or savings to non-small businesses. The changes are largely clerical in nature, and will not affect non-small businesses.

E) Persons other than small businesses, non-small businesses, state, or local government entities ("person" means any individual, partnership, corporation, association, governmental entity, or public or private organization of any character other than an agency):
There is no anticipated cost or savings to any other persons. The changes are largely clerical in nature.
F) Compliance costs for affected persons (How much will it cost an impacted entity to adhere to this rule or its changes?):
There are no compliance costs for any affected persons. The changes are largely clerical in nature.

G) Regulatory Impact Summary Table (This table only includes fiscal impacts that could be measured. If there are inestimable fiscal impacts, they will not be included in this table. Inestimable impacts will be included in narratives above.)
