Appendix 2: Regulatory Impact to Non-Small Businesses**

This proposed new rule is not expected to have any fiscal impacts on large businesses revenues or expenditures, because it only governs the relationship between the Insurance Department's Fraud Division and visitors to its offices. Visitors to the Fraud Division will be prohibited from bringing firearms, ammunition, dangerous weapons, and explosives into the Fraud Division's offices, but this will not involve any costs.

The head of the Insurance Department, Todd E. Kiser, has reviewed and approved this fiscal analysis.

**"Non-small business" means a business employing 50 or more persons; "small business" means a business employing fewer than 50 persons.
