UTAH INSURANCE DEPARTMENT
M. Gale Lemmon, Assistant Attorney General

Based upon the foregoing Stipulation and information in the file, the Presiding Officer makes the following Findings of Fact:

FINDINGS OF FACT

1. At the time of the Department investigation, beginning July 18, 2012, Respondent Millenium Auto Network was providing GAP waivers coverage to customers without an agency license.
2. In an August 21, 2012 email to the Market Conduct Division, Respondent James Arbon stated that he and Respondent Paul Anderson sold GAP waivers for Millenium. He also stated that the agency had provided GAP waivers for the past four years and wrote approximately two to four policies a month.
3. On September 30, 2012, a market conduct examiner visited the agency and met with owner Travis Ward. Mr. Ward thought that James Arbon was previously licensed, although Arbon had not completed the licensing process. Mr. Ward stated that James Arbon and Paul Anderson were then in the process of obtaining their licenses, and that he did not realize the agency, needed to be licensed.
4. On October 20, 2012, Travis Ward provided the examiner with a document explaining the agency operations. The agency had been providing GAP waivers since June 2, 2008. Since that date, Randy Hayes, no longer employed with Millenium, wrote 50 GAP waivers. James Arbon wrote 44 GAP waivers, and Paul Anderson wrote two.
5. Respondent Millenium received its limited lines agency license effective October 1, 2012.

6. Respondent James Arbon received his limited line producer license effective September 4, 2012.

7. Respondent Paul Anderson's license application dated September 27, 2012 is pending as of the date of this Order.

8. Respondent Millenium has agreed to an administrative forfeiture in the amount of \$6,000.

9. Respondent James Arbon has agreed to an administrative forfeiture in the amount of \$2,000.

10. Respondent Paul Anderson has agreed to an administrative forfeiture in the amount of \$1,000.

Based upon the foregoing Stipulation and Findings of Fact, the Presiding Officer enters the following Conclusions of Law:

CONCLUSIONS OF LAW

1. Utah Code Annotated Section 31A-23a 103 states:

(1)(a) Unless exempted from the licensing requirement under Section 31A-23a-201 or 31A-23a-207, a person may not perform, offer to perform, or advertise any service as a producer, limited line producer customer representative, consultant, managing general agent, or reinsurance intermediary in Utah, without a valid individual or agency license issued under this chapter.

(b) A valid license includes at least one license type and one line of authority pertaining to that license type.

(c) A person may not utilize the services of another as a producer, limited line producer, customer service representative, consultant,

managing general agent, or reinsurance intermediary if that person knows or should know that the other does not have a license as required by law.

(2) This part may not be construed to require an insurer to obtain an insurance producer license.

(3) An insurance contract is not invalid as a result of a violation of this section.

2. Utah Code Annotated Section 31A-23a-302(1) and (2) addresses agency designations:

(1) An agency shall designate an individual that has an individual producer, surplus lines producer, limited line producer, consultant, managing general agent, or reinsurance intermediary license to act on the agency's behalf in order for the licensee to do business for the agency in this state.

(2) An agency shall report to the commissioner, at intervals and in the form the commissioner establishes by rule:

- (a) a new designation; and
- (b) a terminated designation.

3. Utah Code Annotated Section 31A-6b-201 states:

(1) Except as provided in Subsection (2), on and after July 1, 2010, a person may not sell, offer to sell, or otherwise provide a guaranteed asset protection waiver to a borrower in this state unless the person:

- (a) (i) is:
 - (A) a creditor; or
 - (B) an administrator; and
- (ii) is registered in accordance with this part; or
- (b) (i) is an individual who sells vehicles at retail; and
- (ii) holds a limited line producer license in accordance with Section 31A-23a-103.

(2) (a) Subject to the other provisions of this Subsection (2), an entity retail seller of a vehicle may sell, offer to sell, or otherwise provide a guaranteed asset protection waiver to a borrower without

being registered under this chapter if the retail seller assigns finance agreements within 90 days.

(b) The commissioner may assess each retail seller described in Subsection (2)(a) that is located in this state an annual assessment in accordance with this Subsection (2).

4. Respondent Millenium violated the above statutory provision by failing to obtain an agency license as required and by failing to designate licensed producers/individuals to it.

5. Respondent, James Arbon violated Utah statutes by failing to obtain a limited line producer's license before writing GAP waiver policies for Millenium.

6. Respondent Paul Anderson violated Utah statutes by failing to obtain a limited line producer's license prior to writing GAP waiver policies for Millenium.

7. An administrative forfeiture in the amount of \$6,000.00 to be paid over four months assessed against Millenium Auto Network is appropriate in this matter.

8. An administrative forfeiture of \$2,000.00 assessed against James Arbon is appropriate in this matter.

9. An administrative forfeiture of \$1,000.00 assessed against Paul Anderson is appropriate in this matter.

Based upon the foregoing Stipulation, Findings of Fact and Conclusions of Law, the Presiding Officer herewith enters the following Order:
