ADVANCED TITLE COMPANY, INC.
Del R. Brady, President

Dated this 14th day of April, 2014.

UTAH INSURANCE DEPARTMENT
Gary Josephson
Attorney for the Utah Insurance Department

Based upon the foregoing Stipulation and Department file, the Presiding Officer makes the following Findings of Fact:

FINDINGS OF FACT

1. In January, 2014, the Department compiled and reviewed a list of all title producers who had reinstated their license during the month of November 2013. The Department's review revealed that Respondent's license had lapsed on November 30, 2013 and was re-instated on December 11, 2013. In addition, the review revealed that all Respondent's

title producer associations terminated on November 30, 2013 and were re-associated on January 21, 2014.

2. On January 15, 2014, a Department letter was sent to Respondent requesting a narrative statement regarding any and all title insurance business conducted between November 30, 2013 and December 11, 2013.

3. In response, Respondent stated that it had conducted fourteen (14) closings and had issued eighteen (18) search commitments between November 30, 2013 and December 11, 2013. Respondent was cooperative during the investigation and took full responsibility for its actions.

4. On March 12, 2014, the Department offered a stipulated resolution of this matter to Respondent. On March 12, 2014, Respondent's president agreed to the imposition of an administrative penalty and forfeiture in the amount of \$1,500.00 to resolve this matter.

Based upon the foregoing Stipulation and Findings of Fact, the following conclusions of law are entered:

CONCLUSIONS OF LAW

1. Utah Code Ann. § 31A-23a-103 states that authorization to conduct insurance business in this state requires an individual or agency to hold an active license.

2. Utah Code Ann. § 31A-23a-302 requires an agency to designate an individual or individuals who have individual producer, limited line producer, customer service representative, consultant, managing general agent, or reinsurance intermediary licenses to act on the agency's behalf in order for the licensee to do business in Utah.

3. Respondent was in violation of the above provisions during the period the agency license and producer designations were lapsed, which was between November 30, 2013 and December 11, 2013.

4. An administrative forfeiture in the amount of \$1,500.00 is appropriate in this matter.
