**AGREEMENT**

**LICENSE SURRENDER IN LIEU OF ADMINISTRATIVE ACTION**

The parties to this agreement are the Utah Insurance Commissioner and Licensees Superior Bail Bonds and Jim Elliott.

This agreement is entered into and is effective on the date of the signing of the agreement by the representative of the Utah Insurance Commissioner below.

WHEREAS, the Utah Insurance Department has commenced an investigation of the Licensees for alleged violations of the Utah Insurance Code, Department Rules and prior Orders of the Commissioner, and

WHEREAS, the alleged violations would have resulted in an administrative action being taken against the Licensees, and

WHEREAS, if proven, the alleged violations could have resulted in the revocation of the licenses of the Licensees, and

WHEREAS, the Licensees desire to surrender Licensees' insurance licenses rather than have an administrative action taken against the Licensees by the Department, therefore

**IT IS HEREBY AGREED:**

1. The Licensees hereby surrender their Utah insurance licenses to the Commissioner who hereby accepts the surrender of the Licensees' licenses effective as of the date of the signing of this agreement by the representative of the Utah Insurance Commissioner.

2. The licenses surrendered are in lieu of any administrative action that may have been taken against the Licensees for any violations of the Utah Insurance Code, Department Rules, or Orders of the Commissioner now known to the Department.

3. This agreement, along with the allegations relating thereto, is reportable to the National Association of Insurance Commissioners (NAIC) and any other entity requesting information about the Licensees from the Department. Further, the Licensees agree to provide information regarding this agreement to any insurance department in the United States or any of its territories when applying for an insurance license of any renewal thereof or to any insurer inquiring if any insurance department has taken action against the licenses of the Licensees.

4. Licensee Superior Bail Bonds may not apply for any insurance license in the State of Utah within five (5) years of the date of this agreement, unless specific written permission has been received from the Commissioner. Licensee Jim Elliott may not apply for any insurance license in the State of Utah within three (3) years of the date of this agreement, unless specific written permission has been received from the Commissioner.
