On October 30, 2017, at the time Respondent's license lapsed, his association to Title Guarantee A Title Insurance Agency LLC also terminated. The association was reinstated on December 4, 2017.

5. Respondent was the title exam qualifier and signatory for 395 commitments and 460 title policies on behalf of the insurer while his title exam qualifier license was lapsed.

6. The Department and Respondent have since agreed to an administrative forfeiture in the amount of \$1,500.00.

Based upon the foregoing Stipulation and Findings of Fact, the Administrative Law Judge enters the following Conclusions of Law:

**CONCLUSIONS OF LAW**

1. Utah Code Section 31A-23a-103 addresses the requirements for a title insurance agency to have an active license issued by the State and for its producers to be licensed in order for it to conduct business as follows:

31A-23a-103. Requirement of license.

(1)(a) Unless exempted from the licensing requirement under Section 31A-23a-201 or 31A-23a-207, a person may not perform, offer to perform, or advertise any service as a producer, surplus lines producer, limited line producer, consultant, managing general agent, or reinsurance intermediary in Utah, without a valid individual or agency license issued under this chapter.

(b) A valid license includes at least one license type and one line of authority pertaining to that license type.

(c) A person may not utilize the services of another as a producer, surplus lines producer, limited line producer, consultant, managing general agent, or reinsurance intermediary if that person knows or should know that the other does not have a license as required by law.

(2) This part may not be construed to require an insurer to obtain an insurance producer license.

(3) An insurance contract is not invalid as a result of a violation of this section.

2. Respondent continued to conduct title business during the period his license was lapsed, in violation of this statute.

3. Utah Code Section 31A-23a-302 requires that licensed producers be associated to an agency in order to act on its behalf as follows:

31A-23a-302. Agency designations.

(1) An agency shall designate an individual that has an individual producer, surplus lines producer, limited line producer, consultant, managing general agent, or reinsurance intermediary license to act on the agency's behalf in order for the licensee to do business for the agency in this state.

(2) An agency shall report to the commissioner, at intervals and in the form the commissioner establishes by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act:

- (a) a new designation; and
- (b) a terminated designation.

(3) An agency shall notify an individual designee that the individual's designation is terminated by the agency and of the reason for termination at an interval and in the form the commissioner establishes by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(4)(a) An agency licensed under this chapter shall report to the commissioner the cause of termination of a designation if:

(i) the reason for termination is a reason described in Subsection 31A-23a-111(5)(b); or

(ii) the agency has knowledge that the individual licensee is found to have engaged in an activity described in Subsection 31A-23a-111(5)(b) by:

- (A) a court;
- (B) a government body; or

(C) a self-regulatory organization, which the commissioner may define by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(b) The information provided the commissioner under Subsection (4)(a) is a private record under Title 63G, Chapter 2, Government Records Access and Management Act.

(c) An agency is immune from civil action, civil penalty, or damages if the agency complies in good faith with this Subsection (4) in reporting to the commissioner the cause of termination of a designation.

(d) Notwithstanding any other provision in this section, an agency is not immune from an action or resulting penalty imposed on the reporting agency as a result of proceedings brought by or on behalf of the department if the action is based on evidence other than the report submitted in compliance with this Subsection (4).

(5) An agency licensed under this chapter may act in a capacity for which it is licensed only through an individual who is licensed under this chapter to act in the same capacity.

(6) An agency licensed under this chapter shall designate and report to the commissioner in accordance with any rule made by the commissioner in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the name of the designated responsible licensed individual who has authority to act on behalf of the agency in the matters pertaining to compliance with this title and orders of the commissioner.

(7) If an agency has a contract with or designates a licensee in reports submitted under Subsection (2) or (6), there is a rebuttable presumption that the contracted or designated licensee acts on behalf of the agency.

(8)(a) When a license is held by an agency, both the agency itself and any individual contracted or designated under the agency license shall be considered to be the holder of the agency license for purposes of this section.

(b) If an individual contracted or designated under the agency license commits an act or fails to perform a duty that is a ground for suspending, revoking, or limiting the agency license, or assessing a forfeiture under Subsection 31A-2-308(1)(b)(i) or (1)(c)(i), the commissioner may assess a forfeiture, suspend, revoke, or limit the license of, or take a combination of these actions against:

(i) the individual;

(ii) the agency, if the agency:

(A) is reckless or negligent in its supervision of the individual; or

(B) knowingly participates in the act or failure to act that is the ground for assessing a forfeiture, or suspending, revoking, or limiting the license; or

(iii)

(A) the individual; and

(B) the agency if the agency meets the requirements of Subsection (8)(b)(ii).

4. Respondent's title exam qualifier license lapsed on October 30, 2017, as did his designation to Title Guarantee A Title Insurance Agency LLC. Respondent violated the above

when 395 commitments were issued and 460 policies were written over his signature on its behalf during the period the association to Title Guarantee A Title Insurance Agency LLC was lapsed.

5. Utah Code Section 31A-20-110(2) states that a title insurance policy may not be issued except by a title insurance producer or agency title insurance producer licensed under Section 31A-23a-105. Respondent violated this provision when he allowed his electronic signature to be used while his license was lapsed from October 30, 2017 to December 4, 2017.

6. An Administrative forfeiture in the amount of \$1,500.00 is appropriate under the circumstances of this case.

Based on the foregoing Findings and Fact and Conclusions of Law, the Commissioner enters the following Order:

**ORDER**

1. Respondent, Jonathan Troy Vealey, is assessed an administrative forfeiture in the amount of \$1,500.00 to be paid to the Department within 30 days of the fully signed Order.
