## DECLARATION

Under criminal penalty of Utah law, I, Cathy Burton, declare the following:

1. I am currently employed as a market conduct examiner with the Utah Insurance Department where my responsibilities include investigating and enforcing Utah insurance laws.

2. I submit this Declaration as the basis for issuing the Notice of Agency Action and Order to which this Declaration is attached.

3. Based on my personal knowledge, based on the facts appearing in the Department's records and files, or based on the records of the Third District Court, Salt Lake County, State of Utah, the following facts are true:

A. Respondent, Statewide Bail Bonding LLC, is a resident limited line producer organization authorized to do the business of bail bond insurance in the State of Utah.

Respondent's license number is 97876. Respondent's license was issued on July 15, 1999.

B. Respondent's business address is 3350 S. 900 W., Salt Lake City, Utah 84119.

C. Respondent receives its authority to write bail bonds by maintaining a qualifying power of attorney issued by a surety insurer. Universal Fire & Casualty Insurance Company ("Universal") authorized Respondent to write on their behalf on February 10, 2017.

D. Respondent failed to pay a forfeiture judgment regarding case no. 161900714 in the Third District Court and the Department issued a Mandatory Order of Suspension against Respondent on January 2, 2018.

E. The Department notified Universal of the Mandatory Order of Suspension against Respondent on January 30, 2018.

F. Effective January 30, 2018, Universal terminated the qualifying power of attorney that it had issued to Respondent. Universal announced the termination on SIRCON, an insurance licensee management system used and accessed by Utah and other states.

G, Respondent does not have a letter of credit with the statutory minimum face value assigned to the state from a Utah depository institution. Nor does Respondent qualify as a bail bond surety company that pledged personal or real property or both and showing a net worth in the statutory minimum amount.

4. Based on the above declared facts, Respondent's bail bond producer license should be revoked under the following statutes:

A. Utah Code Ann. § 31A-35-404, which requires that a bail bond agency have a qualifying power of attorney issued by a surety insurer or a letter of credit with a minimum face value of \$250,000 assigned to the state from a Utah depository institution, or that the bail bond agency qualify as a bail bond surety company that pledges personal or real property, or both and showing a net worth of at least \$250,000, of which at least \$50,000 is in liquid assets.

B. Utah Code Ann. § 31A-35-404 (4), which states that the commissioner may revoke the license of a bail bond agency that fails to maintain the minimum financial requirements.

5. Revoking Respondent's license is a sanction consistent with previous sanctions, such as: All Area Bail Bonds, E-Case #3620, May 29, 2015, in which All Area Bail Bonds had its license revoked for failing to have qualifying surety financial backing.
