WHEREAS, a regulatory settlement agreement (“Regulatory Settlement Agreement” or “RSA”) has been entered into between Great-West Life & Annuity Insurance Company, Great-West Life And Annuity Company of New York, First Great-West Life & Annuity Insurance Company, the Canada Life Insurance Company of New York, the Great-West Life Assurance Company, Canada Life Assurance Company of America, and Crown Life Insurance Company, LLC, together with their affiliates and each of their predecessors, successors, assigns and legal representatives (collectively referred to herein as “Great-West” or the “Company”) and the insurance regulators of California, Florida, New Hampshire, North Dakota, and Pennsylvania (“Lead States”), which RSA was signed by the Company on March 21, 2019, and by each Lead State and the other participating states (“Participating States” or “Departments”) to sign no later than August 16, 2019;

WHEREAS, the Departments have regulatory jurisdiction over the business of insurance conducted in their respective jurisdictions;

WHEREAS, the Departments are the Lead and Participating States in the Multi-State Examination that were called to assess Great-West’s activities related to certain practices and procedures with respect to funds held or owing under life insurance policies, annuity contracts and retained asset accounts. The purpose of the review was to determine if Great-West’s practices reflected systemic “unfair claim or deceptive acts” and/or “unfair settlement practices”;

WHEREAS, based upon the information gathered to date, the Departments have identified concerns regarding Great-West’s timeliness and adequacy of: (1) identification of

potentially deceased insureds, annuitants, annuity contract owners, and/or retained asset account holders; (2) efforts to locate and pay beneficiaries when Hartford may have had knowledge that an insured, annuitant, annuity contract owner and/or retained asset account owner has died but no claim has been filed; and (3) handling of other areas related to claims settlement practices and management of unclaimed property;

WHEREAS, the Departments determined that activities of Great-West are sufficient to merit further regulatory action, though no special formal findings were reached by the parties;

WHEREAS, Great-West and the Departments desire to resolve the differences between the Parties as an alternative to a lengthy adjudicatory process for making and enforcing any such formal findings, the Parties determined that entering into a RSA would be in the best interest of consumers;

WHEREAS, Great-West agrees to implement a Business Reform Plan which will detail the resolution process for all of the identified issues, which includes: (1) begin a search for beneficiaries if not contacted within 120 days from the Date of Death Notice; (2) attempt to contact beneficiaries in order to pay out appropriate policy, annuity or retained asset account proceeds; (3) establish uniform standards for matching across business lines and for locating beneficiaries; and (4) request information from Policyholders to ensure that all benefits are paid to Beneficiaries upon the death of the Policyholder;

WHEREAS, the RSA will become effective upon the date the RSA has been executed by Great-West, the Lead States, and at least 13 Participating States; and

WHEREAS, the Commissioner of Insurance of the State of Utah has determined that it is in the best interests of the citizens of the State of Utah that the Utah Insurance Department participate in the settlement of the subject matter of the RSA;

NOW THEREFORE, IT IS HEREBY ORDERED:

The Commissioner of Insurance of the State of Utah, as executive director of the Utah Insurance Department, hereby adopts, agrees to, and approves the Regulatory Settlement Agreement by and between Great-West and the Participating States (including the Lead States) that was signed by Great-West on March 21, 2019, and by the Participating States by August 16, 2019. (A copy of the Regulatory Settlement Agreement is attached hereto and incorporated herein by this reference as Exhibit A.)

## REGULATORY SETTLEMENT AGREEMENT

This Regulatory Settlement Agreement ("**Agreement**") is entered into by and between the following insurance companies: Great-West Life & Annuity Insurance Company, Great-West Life & Annuity Insurance Company of New York (the surviving company following the merger of First Great-West Life & Annuity Insurance Company of New York and The Canada Life Insurance Company of New York), First Great-West Life & Annuity Insurance Company, The Canada Life Insurance Company of New York, The Canada Life Assurance Company (U.S. Branch), The Great-West Life Assurance Company (U.S. Branch), and Canada Life Insurance Company of America and Crown Life Insurance Company (U.S. Branch)(collectively "**Great-West**" or the "**Company**") and the **California Department of Insurance; Florida Office of Insurance Regulation; New Hampshire Insurance Department; North Dakota Insurance Department; and Pennsylvania Insurance Department as Lead States ("Lead States")** in the multi-state targeted market conduct examination of the Company called on December 5, 2012 (the "**Multi-State Examination**"), and the insurance departments executing a Participating State Adoption in the form set forth on Schedule B (the "**Participating States**"). The Lead States and Participating States are collectively referred to as the "**Departments.**" The Departments and the Company are collectively referred to herein as the "**Parties.**"

### RECITALS

**WHEREAS**, the Departments have regulatory jurisdiction over the business of insurance conducted in their respective jurisdictions, including the authority to conduct market conduct examinations;

**WHEREAS**, the Departments are the Lead and Participating States in the Multi-State Examination that was called to assess the Company's settlement practices, procedures and policy administration relating to claims, and the use of the Social Security Death Master File ("**DMF**") or similar database or service, including the Company's efforts to identify the owners and beneficiaries of unclaimed Proceeds;

**WHEREAS**, based upon the information gathered to date, the Departments have identified concerns regarding the adequacy of the Company's policies and procedures to ensure that life insurance policies and annuities are timely paid to Beneficiaries and are timely reported or remitted in accordance with the Unclaimed Property Laws and the Insurance Laws;

**WHEREAS**, the Company denies any wrongdoing or engaging in any activities that violate any Insurance Laws in the jurisdiction of each Department or any other applicable laws, but in view of the complex issues raised and the probability that long-term litigation and/or administrative proceedings would be required to resolve the disputes between the Parties hereto, the Company and the Departments desire to resolve the differences between the Parties as to the interpretation and enforcement of Insurance Laws and all claims that the Departments have asserted or may assert with respect to the Company's claim settlement practices related to the use of the DMF;

**WHEREAS**, certain divisions of the Company have a long-standing practice of conducting DMF comparisons of certain annuity contracts in payout mode and, either directly or through its brokers, related to the corporate/bank-owned life insurance business;

**WHEREAS**, the Company represents that when it learned of a match against the DMF, it referred the case to the appropriate divisions within the Company to determine whether a death claim needed to be opened;

**WHEREAS**, although the Company performed DMF comparisons for portions of its annuity and corporate/bank-owned life insurance business, prior to August 2011, the Company did not have procedures in place to perform regular DMF comparisons to identify when insureds under in-force life policies or annuitants in the "accumulation" phase or payout out mode have died so that the death claim process can be initiated, beneficiaries can be searched for and contacted, and any remaining unclaimed death benefits can be escheated;

**WHEREAS**, the Company represents prior to the commencement of this Examination, beginning in 2011 and through 2013, it has adopted procedures to perform an enterprise-wide comparison against the DMF of its entire in-force blocks of life insurance and annuity contracts, as well as certain terminated life insurance policies, for the period 2001 through the present, and that the Company has paid beneficiaries and has paid funds to or has established liabilities to be paid to states as unclaimed property;

**WHEREAS**, the Departments assert that the Company's prior asymmetrical DMF usage is inconsistent with certain obligations under the Insurance Laws, and the Company asserts that its practices were not asymmetrical and in fact complied with Unclaimed Property and Insurance Laws; and

**WHEREAS**, the Company has cooperated with the Departments and their examiners in the course of the Multi-State Examination by making its books and records available for examination, and its personnel and agents available to assist as requested by the Departments and the Company represents that at all times relevant to this Agreement, the Company and its officers, directors, employees, agents, and representatives acted in good faith and in a manner they believed to be in the best interest of the Company's Policyholders.

- b. If the Company is not contacted by a Beneficiary within one hundred twenty (120) days from the Date of Death Notice, the Company shall promptly commence a Thorough Search, which shall be completed within one (1) year from the Date of Death Notice. The obligation to conduct a Thorough Search under the terms of this Agreement shall not abrogate the right of the Company to complete any due diligence within the timeframe required by any applicable law. If (i) the Beneficiary cannot be located by a Thorough Search and (ii) the Company is unable to establish an Exception, it shall report and remit the Proceeds as Unclaimed Property to the affected jurisdiction(s) within three (3) or five (5) years, as applicable, from the Date of Death.

In the event that the beneficiary contacts the Company as a result of a Thorough Search, the Company shall provide the appropriate claim forms or instructions, if required, to the Beneficiary to make a claim, including instructions as to the need to provide an official death certificate if consistent with law and the Policy or Annuity Contract. The Company reserves the right to require satisfactory confirmation of death, including a death certificate, as due proof of death, before Proceeds are paid to a Beneficiary or a Beneficiary's legal representative if consistent with law and the Policy or Annuity Contract. Nothing in this Agreement shall be construed to supersede the Company's right to maintain effective procedures and resources to deter and investigate fraudulent insurance acts as required by applicable law.
- g. To the extent permitted under applicable law, the Company may disclose the minimum necessary personal information about an Insured or Beneficiary to a person whom the Company reasonably believes may be able to assist the Company locate the Insured or Beneficiary or a person otherwise entitled to payment of the Proceeds, provided however, the Company shall not implement policies or practices that will or may diminish the rights of or amounts of Proceeds due to Beneficiaries under its Policies or Annuity Contracts.
- h. The Company shall conduct a Thorough Search for group life insurance policies, including group life insurance certificates issued thereunder, where a group life insurance claim is received for which the Company, from information in its administrative systems and/or the group policy claim form, is able to determine that a benefit is due and is able to determine the benefit amount, but the beneficiary cannot be identified and/or located.
- i. Within six (6) months after the Effective Date of this Agreement the Company shall establish policies and procedures to ensure that:

- ii. If any letter described in 2(i)(i) above is returned as undeliverable, the Company shall promptly conduct research to locate a more updated or accurate mailing address using a national online search or locator tool such as Lexis Nexis or Accurint or other comparable database and send a final first class letter to the Annuity Contract Owner at the address, if any, found by the Company using such database service;
          - iii. An affirmative request by an Annuity Contract Owner or authorized representative shall be required by the Company before a Maturity Date is extended, and such request will be recorded in the Company's books and records;
          - iv. If the Company's letters described in (i) and/or (ii) above are not returned to the Company as undeliverable and the Company receives no response to the letters, the Company will effect the Annuity Contract's annuity maturity contractual default option as soon as reasonably practicable, but in no event more than forty-five (45) days following the Maturity Date, unless the Annuity Contract expressly requires otherwise, in which case the Company will administer the Annuity Contract in accordance with its terms.
        - j. Within twelve (12) months after the Effective Date of this Agreement, the Company shall establish policies and procedures to ensure that prior to the delivery of a Policy or Annuity Contract, and upon any change of a Beneficiary, the Company shall request, at a minimum, the name, address, date of birth, social security number, and telephone number of every Insured and Beneficiary of such Policy or Annuity Contract, as applicable.
3. **Regulatory Oversight.** Each of the Departments shall maintain independent regulatory oversight over the Company's compliance with the terms of this Agreement and in furtherance thereof, the Company agrees to the following:

Each report shall be delivered to each of the Lead Departments within forty-five (45) days following the end of the applicable reporting period. Copies of these reports will also be made available to a Department's designated examiner, upon reasonable request, to assist the Departments in monitoring compliance with the requirements of this Agreement.
  - b. Thirty-Nine (39) months following the Effective Date the Lead Departments shall conduct a multi-state examination of Company's compliance with the requirements of this Agreement that shall be a

continuation of the Multi-State Examination. The Lead Departments shall provide a report summarizing the results of that examination to the Company and Departments. The examination shall be performed with the cost of the examination to be borne by Company in accordance with the Lead Departments respective laws.

- c. The Company may petition a Department to terminate or modify this Agreement in that jurisdiction. Such petition may include, but not be limited to the following grounds: (i) the Agreement's terms, in whole or in part, are inconsistent with the statutes, rules, controlling case law, or regulations then in effect in that jurisdiction or (ii) that a Future Settlement Agreement with a company possessing substantial market share is more favorable than this Agreement. A Department shall not unreasonably withhold its consent to the relief requested by the Company in its petition. Once made by the Company, the Multi-State Examination Payment, as allocated to each Department, is final and non-recoverable from the Departments or any other governmental agency or official within the States signing this agreement under any circumstances including termination of this Agreement.
- d. In addition to the payments set forth in Paragraph 5, the reasonable costs and expenses of the Departments incurred after the date of this Agreement and related to the monitoring of the Company's compliance with the Agreement, including the costs and expenses of conducting any reviews or examinations permitted by the Agreement, as well as participating in any meetings, presentations or discussions with the Company, shall be borne by the Company as costs of the Multi-State Examination.
- e. If the jurisdiction of any Department adopts or has adopted any Insurance Law or Unclaimed Property Law addressing insurance companies' use of the DMF (or its equivalent) in connection with insurance companies' procedures concerning the payment of Proceeds to Beneficiaries, then the Company's compliance with the terms of such Insurance Law or Unclaimed Property Law of that jurisdiction after the Effective Date of this Agreement shall be deemed to comply with the terms of this Agreement (i) which relate solely to the use of the DMF; and (ii) for the purposes of compliance herewith for that jurisdiction alone.
- f. The monitoring of the Company for compliance with the terms of this Agreement constitutes an ongoing examination by each of the Departments in accordance with the laws of its jurisdiction. Consistent with applicable law, each Department shall accord confidential treatment to the work papers, recorded information, documents, copies of work papers, and documents produced by, obtained by or disclosed by Company.

- g. No later than five years following the Effective Date, the Lead Departments will complete the Multi-State Examination with a final review concerning the Company's compliance with the Agreement. If that review confirms that the Company has fulfilled its obligations under the Agreement or applicable state Insurance and Unclaimed Property Laws relating to DMF matches, the Multi-State Examination will be closed. The Agreement will thereafter terminate ("the Termination Date") upon the Company's submission of its prospective policies and procedures for DMF matching and Beneficiary outreach to be used thereafter. This submission shall be made to the Lead Departments six (6) calendar months prior to the Termination Date.

- c. Beneficiaries shall not be charged for any fees or costs associated with a search or verification conducted pursuant to this Agreement.
- d. The Company shall comply with the Unclaimed Property Audit Agreement.

The Lead Departments shall be responsible for allocating the Payment among the Departments. The Company agrees to remit the Payment within ten (10) days after the Effective Date and after the Lead Departments provide the Company with payment directions. Upon the receipt of the Payment, as allocated by each of the Departments, the Company's financial obligations incurred by the Departments arising out of the Multi-State Examination will be fully satisfied, except as set forth in Paragraph 3d. The Payment shall be in addition to the Company's obligation to reimburse the Lead Departments for reasonable third-party expenses, including expenses for consultants, incurred in connection with the Lead Department's role in the Multi-State Examination.

**6. Miscellaneous.**

- a. This Agreement is an agreement solely between the named Parties as defined above, and no other person or entity shall be deemed to obtain or possess any enforceable rights against the Company as a third party beneficiary or otherwise as a result of this Agreement. The Parties agree

that this Agreement is not intended to and shall not confer any rights upon any other person or entity and shall not be used for any other purpose. No amendment or modification of any provision of this Agreement, or consent to any departure from this Agreement, shall be effective unless in writing and signed by the Party to be charged therewith, and then such modification or consent shall be effective only in the specific instance and for the specific purpose for which given.
- d. Neither this Agreement, nor any of the communications or negotiations leading up to this Agreement, nor any actions taken or documents executed in connection with this Agreement, is now or may be deemed in the future to be an admission or evidence of any liability or wrongdoing by the Company with respect to the subject matter of the Multi-State Examination.
- e. Subject to the Company's performance of and compliance with the terms and conditions in this Agreement and Schedules, each Department hereby releases the Company from any and all claims, demands, interest, penalties, actions or causes of action that each Department may have by reason of any matter, cause or thing whatsoever, regarding or relating to the subject matter of the Multi-State Examination; provided, however, that nothing herein is intended to relieve or release the Company from its obligations under this Agreement nor preclude the Lead Departments from conducting subsequent Multi-State Examinations to assess the Company's compliance with, or from enforcing, this Agreement.

- f. In the event that any portion of this Agreement is enjoined or held invalid under the laws of a Department's jurisdiction, such enjoined or invalid portion shall be deemed to be severed only for the duration of the injunction, if applicable, and only with respect to that Department and its jurisdiction, and all remaining provisions of this Agreement shall be given full force and effect and shall not in any way be affected thereby.
- g. Nothing in this Agreement shall be construed as an admission of any party's position as to the preemptive effect of the Employee Retirement Income Security Act of 1974, as periodically amended, or the law of the jurisdiction as applied to employment based plans.
- h. This Agreement shall not be construed to allow or require the Company to implement policies or practices that will or may diminish the rights or the Proceeds due to Beneficiaries under the terms of its Policies or Annuity Contracts.
- i. To the extent that any laws, rules, or regulations are adopted by any Department, or a regulatory agency of a Department that conflict with any of the terms and conditions of this Agreement, then the application of those affected terms and conditions shall be superseded by such laws, rules or regulations as it applies to that Department, provided that all other unaffected terms and conditions of the Agreement shall remain in full force and effect.
- j. Nothing in this Agreement shall abrogate the obligations of the Company under the Unclaimed Property Audit Agreement.
- k. The Parties represent and warrant that the person executing this Agreement on behalf of each Party has the legal authority to bind the Party to the terms of this Agreement.
- l. This Agreement may be executed in counterparts. A true and correct copy of the Agreement shall be enforceable the same as an original.
- m. Company agrees that the Departments may adopt, agree to and approve the RSA through the issuance of an order, provided that it contains no provisions other than those set forth in the RSA.

**7. Enforcement.** The failure to comply with any provision of this Agreement shall constitute a breach of the Agreement, a violation of an Order of the Departments and a violation of Company's Agreement with the Departments, and shall subject Company to such administrative and enforcement actions and penalties as each Department deems appropriate, consistent with each Department's respective laws.

IN WITNESS WHEREOF THE PARTIES HAVE EXECUTED THIS AGREEMENT AS OF THE DATE SET FORTH AFTER EACH OF THEIR NAMES.

**SCHEDULE A**  
**RULES FOR IDENTIFYING DEATH MATCHES**

In comparing the Company's records of its insured's, annuitants, and Annuity Contract owners, against the DMF and any updates thereto, the governing principle to be followed shall be establishing whether or not a unique biological individual identified within the Company's data is the same as a unique biological individual identified on the DMF in a case where a benefit is due and payable. In comparing the Company's records of its insured's, annuitants, and Annuity Contract owners against the DMF, the Company shall utilize the following set forth below as the minimum standard for determining what constitutes a match.

**Category 1: Exact Social Security Number Match** occurs when the Social Security Number contained in the data found in the Company's records matches exactly to the Social Security Number contained in the DMF.

**Category 2: Non-Social Security Number Match** occurs in any of the following circumstances:

1. The Social Security Number contained in the data found in the Company's Records matches in accordance with the Fuzzy Match Criteria listed below to the Social Security Number contained in the DMF, the First and Last Names match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches exactly.
2. The Company's records do not include a Social Security Number or where the Social Security Number is incomplete (less than 7 digits) or otherwise invalid (e.g., 111111111, 999999999, 123456789), and there is a First Name, Last Name, and Date of Birth combination in the data produced by the Company that is a match against the data contained in the DMF where the First and Last Names match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches exactly, subject to paragraph 3 immediately below.
3. If there is more than one potentially matched individual returned as a result of the process described in paragraphs 1 and 2 immediately above, or if both the Social Security Number and Date of Birth found in the Company's Records match in accordance with the Fuzzy Match Criteria listed below, then the Company shall run the Social Security Numbers obtained from the DMF for the potential matched individuals against Accurint for Insurance or an equivalent database. If a search of those databases shows that the Social Security Number is listed at the address

in the Company's records for the insured. then a Category 2 Match will be considered to have been made only for individuals with a matching address.

4. If the Company's systems do not contain a complete "Date of Birth," then a "Date of Birth" exact match will be found to exist where the data that is available on the Company's systems does not conflict with the data contained in the DMF. By way of example, if the Company's systems only contain a month and year of birth, an exact "Date of Birth" match will exist if the DMF record contains the same month and year of birth. Additionally, if the Company's systems only contain a year of birth or contain a complete date of birth that includes a month and day of 1/1 (e.g., January 1) followed by a year of birth, the Date of Birth will be deemed to match exactly where the year of birth in the data that is available on the Company's systems is within one (1) year of the year of birth listed in the DMF. By way of example, if the Company's systems contain 1/1/1934, an "exact" Date of Birth match will exist if the DMF record contains a year of birth of 1933, 1934 or 1935.

**Fuzzy Match Criteria:**

1. A First Name fuzzy match includes one or more of the following:
  - a. "First Name" "Nick Names:" "JIM" and "JAMES." The Company shall utilize a Nickname database, such as the pd Nickname database from Peacock Data, Inc. or an equivalent database, as well as publicly available lists of names and nicknames to identify matching First Names where a nickname is used on one or both sides of the match.
  - b. "Initial" instead of full first name: "J FOX" and "JAMES FOX."
  - c. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "BUDDY" and "BUDDIE."
  - d. Data entry mistakes with a maximum difference of one character with at least five characters in length: "HARRIETTA" and "HARRIETA."
  - e. If First Name is provided together with Last Name in a "Full Name" format and "First Name" and "Last Name" cannot be reliably distinguished from one another: "ROBERT JOSEPH," Both "JOSEPH ROBERT" and "ROBERT JOSEPH."

- f. Use of interchanged "First Name" and "Middle Name:": "ALBERT E GILBERT" and "EARL A GILBERT."
  - g. Compound "First Name:" "SARAH JANE" and "SARAH," or "MARY ANN" and "MARY."
  - h. Use of "MRS." + "HUSBAND'S First Name + Last Name:" "MRS. DAVID KOOPER" and "BERTHA KOOPER" where the "Date of Birth" and "Social Security Number" match exactly and the Last Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.
2. A "Last Name" fuzzy match includes one or more of the following:
- a. "Anglicized" forms of last names: "MACDONALD" and "MCDONALD."
  - b. Compound last name: "SMITH" and "SMITH-JONES."

  - e. If First Name is provided together with Last Name in a "Full Name" format and "First Name" and "Last Name" cannot be reliably distinguished from one another: "ROBERT JOSEPH," Both "JOSEPH ROBERT" and "ROBERT."
  - f. Use of apostrophe or other punctuation characters in "Last Name:" "O'NEAL" and "ONEAL."
  - g. Data entry mistakes with a maximum difference of one (1) character for last name with at least eight (8) characters in length: "MACHIAVELLI" and "MACHIAVELI."
  - h. Last Name Cut-off: A match will be considered to have been made where due to the length of the Last Name, some of the last letters were not saved in the database. Examples include: "Brezzinnows" and "Brezzinnowski" and "Tohightower" and "Tohightowers."
  - i. Married Female "Last Name" Variations: A fuzzy "Last Name" match will be considered to have been made even though the data

does not match on the last name of a female, if the "Date of Birth" and "Social Security Number" match exactly and the First Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.

3. "Social Security Number" fuzzy match includes one of the following:
  - a. Two (2) Social Security Numbers with a maximum of two (2) digits in difference, any number position: "123456789" and "123466781."
  - b. Two (2) consecutive numbers are transposed: "123456789" and "123457689"
  - c. If a Social Security Number is less than nine (9) digits in length (with a minimum of seven (7) digits) and is entirely embedded within the other Social Security Number: "12345678" and "012345678."

#### **Other Matches and Mismatches**

Notwithstanding the fact that a policy is listed as a match in accordance with the foregoing rules, there will not be a reportable match if the Company is able to produce competent evidence to establish that the unique biological individual identified in the Company's data is not the same as a unique biological individual identified on the DMF or such individual is not dead.
