Utah Code § 31A-23a-111(1)(b) and (8)

The Utah Insurance Commissioner (“the Commissioner”) and Kalila Bakugou (“the Licensee”), agree as follows:

3. The Commissioner accepts the surrender, which is effective on the date of the Licensee’s signature below.
4. The Licensee acknowledges that the Department will report the surrender to the National Association of Insurance Commissioners and to any other entity requesting license information about Licensee.
5. The Licensee will disclose the surrender to insurance regulatory agencies as required, and insurers upon request.

6. The Licensee will not apply for a new Utah insurance license for five years from the date of the surrender.
