 - o **Bond Exoneration / Mike**

 - o **Telephone Directory of Attorney and Bail Bond Licensees / Perri**
Perri was approached about a phone directory of criminal defense attorneys and bail bond agents. An attorney thinks it violates 31A-35-701. Dominic did not think jails would allow them if they had advertising in them. Perri didn't know if the books contained advertising. Most jails don't allow the yellow pages in their visiting room. They just have their ticker boards to display information about bail bond agencies. Dominic was concerned that if the book came out they would have to advertize in it in order to remain competitive. Dominic asked Perri if she would get more information about it.
 - o Tara noted that due to a computer glitch bail bond licenses had been cancelled. This has been corrected.
 - o **February's meeting** will be on the 5th Floor of the Heber Wells Building at 160 E. 200 S. Attendees will receive validations for parking at the Broadway Parking Lot.

- *Adjourned 12:43pm*
