MINUTES — Approved

General Session (Open to the Public)

- **Welcome** / Dominic Sanone, Chair (9:02 am)
- **Telephone roll call**
- **New Business**
 - Bail Bond Oversight Board Report to the Governor / Reed
 - Steve notes a change to the report to reflect that minutes were not approved in July, and the report was approved in a special meeting.
 - Discussion about the report and how to answer the question "Should the Bail Bond Oversight Board Continue to Exist?". Comments include a recap of comments from the July 10 meeting, the comfort of a committee being recognized by the state, the value of public access, and protecting the industry for the future.
 - Angela notes that the report seems to speak for itself that the board doesn't need to continue; do we need to add a line saying that it has been a historically quiet two years and it does need to continue? Dominic agrees, but says it logistically wouldn't work because we'd need another special meeting to approve it.
 - **Motion by Dominic to approve the report and state "yes" the board should continue. Seconded by Tony. Motion passes 5-0-0.**

- YEA: Dominic, Tony, Angela, Bonnie, Jon

- *Adjourned* (9:18 am)
