

Fingerprint for Bail Bond Individuals:

Apply for the license online from your home or office at www.sircon.com/utah or www.nipr.com before arriving at the test center for fingerprinting. You can also apply online using a kiosk at the test center. Payment for both the license application fee and the FBI/BCI fingerprint fee (\$13.25 FBI/\$15 BCI) must be made by credit card during the online license application process.

Upon completing the online application, print out the Sircon confirmation page as proof you have paid the FBI/BCI fees. Give the confirmation page to the test center proctor and your fingerprints will then be scanned.

Fingerprint results will be returned to the Department. The Department will evaluate the results and the license application prior to issuing any license.
