IMPORTANT INFORMATION:

To track CE posted to your electronic record, go to www.sircon.com/utah under “Look up education courses/credits” then “continuing education transcript inquiry.” If any courses completed during the current renewal period are not posted please contact the provider.

If your continuing education is not complete before the expiration date, be advised that any renewal fees paid prior to the expiration date will be forfeited and a $125 reinstatement will be required once all the continuing education credits have been posted to your license.
