

Pharmacy Drug Manufacturer Registration Form

Email the completed form to uid.healthresearch@utah.gov

This form applies to companies that have a Class C Pharmacy license in Utah. A “Class C pharmacy” means a pharmacy that engages in the manufacture, production, wholesale, or distribution of drugs or devices in Utah (see Utah Code [§ 58-17b-102\(12\)](#)).

As required by [§ 31A-48-103](#), a pharmacy drug manufacturer shall report to the Utah Insurance Department the information described in [§ 31A-48-103\(1\)](#). As defined by [§ 31A-48-102\(3\)](#), a pharmacy drug manufacturer means “a person that is engaged in the manufacturing of a drug that is available for purchase by residents of the state.”

In order to identify the companies that need to provide the information required by [§ 31A-48-103\(1\)](#), all companies with a Class C Pharmacy license in Utah shall register with the Utah Insurance Department by completing this form.

Please only submit one report per company. Filings with multiple companies in one report will not be accepted. A separate report must be completed for each manufacturer.
