R590-173-7. Credit for Reinsurance - Reinsurers Maintaining Trust Funds.

A. The commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer which, as of the date of the ceding insurer's statutory financial statement maintains a trust fund in an amount prescribed below in a qualified United States financial institution, for the payment of the valid claims of its United States policyholders and ceding insurers, their assigns and successors in interest. The assuming insurer shall report annually to the commissioner substantially the same information as that required to be reported on the NAIC annual statement form by licensed insurers, to enable the commissioner to determine the sufficiency of the trust fund.

B. The following requirements apply to the following categories of assuming insurer:

(1) the trust fund for a single assuming insurer shall consist of funds in trust in an amount not less than the assuming insurer's liabilities attributable to business written in the United States, and in addition, a trustee surplus of not less than \$20,000,000, except as provided in paragraph (2) of this subsection. For purposes of this section, liabilities attributable to business written in the United States means the liabilities attributable to reinsurance ceded by United States domiciled insurers.

(2) At any time after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least three full years, the commissioner with principal regulatory oversight of the trust may authorize a reduction in the required trusted surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of U.S. ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and shall consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates, and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusted surplus may not be reduced to an amount less than thirty percent (30%) of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers covered by the trust.

(3)(a) The trust fund for a group of incorporated and individual unincorporated underwriters shall consist of:

(i) for reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, funds in trust in an amount not less than the respective underwriters' aggregate liabilities attributable to business ceded by United States domiciled ceding insurers to any underwriter of the group;

(ii) for reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992, and not amended or renewed after that date, notwithstanding the other provisions of this rule, funds in trust in an amount not less than the respective underwriters' aggregate insurance and reinsurance liabilities attributable to business written in the United States; and

(iii) in addition to these trusts, the group shall maintain a trusted surplus of which \$100,000,000 shall be held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all the years of account.

(b) The incorporated members of the group will not be engaged in any business other than underwriting as a member of the group and shall be subject to the same level of regulation and solvency control by the group's domiciliary regulator as are the unincorporated members. The group shall, within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, provide to the commissioner:

(i) an annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group; or

(ii) if a certification is unavailable, a financial statement, prepared by independent public accountants, of each underwriter member of the group.

(4)(a) The trust fund for a group of incorporated insurers under common administration shall:

(i) consist of funds in trust in an amount not less than the assuming insurers' aggregate liabilities attributable to business ceded by United States domiciled insurers to any members of the group pursuant to reinsurance contracts issued in the name of the group and;

(ii) maintain a joint trusteed surplus of which \$100,000,000 shall be held jointly for the benefit of United States domiciled ceding insurers of any member of the group; and

(iii) file a properly executed Certificate of Assuming Insurer, Form AR-1, as evidence of the submission to this state's authority to examine the books and records of any of its members and shall certify that any member examined shall bear the expense of any such examination.

(b) Within 90 days after the statements are due to be filed with the group's domiciliary regulator, the group shall file with the commissioner an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group.

C.(1) Credit for reinsurance will not be granted unless the form of the trust and any amendments to the trust have been approved by either the commissioner of the state where the trust is domiciled or the commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. The form of the trust and any trust amendments also shall be filed with the commissioner of every state in which the ceding insurer beneficiaries of the trust are domiciled. The trust instrument shall provide that:

(a) contested claims shall be valid and enforceable out of funds in trust to the extent remaining unsatisfied 30 days after entry of the final order of any court of competent jurisdiction in the United States;

(b) legal title to the assets of the trust shall be vested in the trustee for the benefit of the grantor's United States ceding insurers, their assigns and successors in interest;

(c) the trust shall be subject to examination as determined by the commissioner;

(d) the trust shall remain in effect for as long as the assuming insurer, or any member or former member of a group of insurers, shall have outstanding obligations under reinsurance agreements subject to the trust; and

(e) no later than February 28 of each year the trustee of

the trust shall report to the commissioner in writing setting forth the balance in the trust and listing the trust's investments at the preceding year-end, and shall certify the date of termination of the trust, if so planned, or certify that the trust will not expire prior to the following December 31.

(2)(a) Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount required by this subsection or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight over the trust or other designated receiver all of the assets of the trust fund.

(b) The assets shall be distributed by and claims of United States trust beneficiaries shall be filed with and valued by the commissioner with regulatory oversight over the trust in accordance with the laws of the state in which the trust is domiciled applicable to the liquidation of domestic insurance companies.

(c) If the commissioner with regulatory oversight over the trust determines that the assets of the trust fund or any part of the trust fund are not necessary to satisfy the claims of the United States beneficiaries of the trust, the commissioner with regulatory oversight over the trust shall return the assets, or any part of the assets, to the trustee for distribution in accordance with the trust agreement.

(d) The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this provision.

D. Assets deposited in the trust shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a qualified United States financial institution, and investments of the type specified in this subsection, but investments in or issued by an entity controlling, controlled by or under common control with either the grantor or beneficiary of the trust will not exceed 5% of total investments. No more than 20% of the total of the investments in the trust may be foreign investments authorized under Subsection R590-173-7.D.(1)(e), (3), (5)(b) or (6), and no more than 10% of the total of the investments in the trust may be securities denominated in foreign currencies. A depository receipt denominated in United States dollars and representing rights conferred by a foreign security shall be classified as a foreign investment denominated in a foreign

currency. The assets of a trust shall be invested only as follows:

Sections 78a to 78kk or otherwise registered pursuant to that Act, and if otherwise registered, price quotations for them are furnished through a nationwide automated quotations system approved by the Financial Industry Regulatory Authority, or successor organization. A trust will not invest in equity interests under this subsection an amount exceeding 1% of the assets of the trust even though the equity interests are not so registered and are not issued by an insurance company;

(6) obligations issued, assumed or guaranteed by a multinational development bank, provided the obligations are rated A or higher, or the equivalent, by a rating agency recognized by the Securities Valuation Office of the NAIC.

(7) Investment companies

(a) Securities of an investment company registered pursuant to the Investment Company Act of 1940, 15 U.S. C. Section 802, are permissible investments if the investment company:

(3) In order to facilitate the prompt payment of claims, a certified reinsurer shall not be required to post security for catastrophe recoverables for a period of one year from the date of the first instance of a liability reserve entry by the ceding company as a result of a loss from a catastrophic occurrence as recognized by the commissioner. The one year deferral period is contingent upon the certified reinsurer continuing to pay claims in a timely manner. Reinsurance recoverables for only the following lines of business as reported on the NAIC annual financial statement related specifically to the catastrophic occurrence will be included in the deferral:

- (a) Line 1: Fire
- (b) Line 2: Allied Lines

Any reinsurance contract entered into prior to the effective date of the certification of the assuming insurer that is subsequently amended after the effective date of the certification of the assuming insurer, or a new reinsurance contract, covering any risk for which collateral was provided previously, shall only be subject to this section with respect to losses incurred and reserves reported from and after the effective date of the amendment or new contract.

(5) Nothing in this section shall prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under this Section.

B. Certification Procedure.

(1) The commissioner shall promptly post notice upon receipt of any application for certification, including instructions on how members of the public may respond to the application. The commissioner may not take final action on the application until at least thirty (30) days after posting the notice required by this paragraph.

(2) The commissioner shall issue written notice to an assuming insurer that has made application and been approved as a certified reinsurer. Included in such notice shall be the rating assigned the certified reinsurer in accordance with Subsection A of this section. The commissioner shall publish a list of all certified reinsurers and their ratings.

(3) In order to be eligible for certification, the assuming insurer shall meet the following requirements:

(a) The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a Qualified Jurisdiction, as determined by the commissioner pursuant to Subsection C of this section.

(b) The assuming insurer must maintain capital and surplus, or its equivalent, of no less than \$250,000,000 calculated in accordance with Subparagraph (4)(h) of this subsection. This requirement may also be satisfied by an association including incorporated and individual unincorporated underwriters having minimum capital and surplus equivalents (net of liabilities) of at least \$250,000,000 and a central fund containing a balance of at least \$250,000,000.

(c) The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner. These ratings shall be based on interactive

communication between the rating agency and the assuming insurer and shall not be based solely on publicly available information. (4) Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited, to the following:

(a) The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification;

(b) the aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by 90 days or more exceeds \$50,000,000.

(6) The assuming insurer must submit a properly executed Form CR-1 (available from the commissioner upon request) as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for service of process in this state, and agreement to provide security for one hundred percent (100%) of the assuming insurer's liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists enforcement of a final U.S. judgment. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(7) The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which are not otherwise public information subject to disclosure shall be exempted from disclosure under and shall be withheld from public disclosure. The applicable information filing requirements are, as follows:

(a) Notification within 10 days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;

(b) Annually, Form CR-F or CR-S, as applicable;

(c) Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in subsection (d) below;

(d) Annually, audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the state insurance commissioner, audited IFRS statements with

reconciliation to U.S. GAAP certified by an officer of the company), regulatory filings, and actuarial opinion (as filed with the certified reinsurer's supervisor). Upon the initial certification, audited financial statements for the last 3 years filed with the certified reinsurer's supervisor;

(e) At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from U.S. domestic ceding insurers;

(f) A certification from the certified reinsurer's domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction's highest regulatory action level; and

(g) Any other information that the commissioner may reasonably require.

(8) Change in Rating or Revocation of Certification.

(a) In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of paragraph (4) (a).

(b) The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations.

(c) If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.

(d) Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with Section 9 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Section 7, the commissioner may allow additional credit equal to the ceding insurer's pro rata share of such funds, discounted to reflect the risk of uncollectibility and

anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of 3 months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

C. Qualified Jurisdictions.

(1) If, upon conducting an evaluation under this Section with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the commissioner shall publish notice and evidence of such recognition in an appropriate manner. The commissioner may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.

(2) In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. The commissioner shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include but are not limited to the following:

(a) The framework under which the assuming insurer is regulated.

(b) The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.

(c) The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.

(d) The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.

(e) The domiciliary regulator's willingness to cooperate with U.S. regulators in general and the commissioner in particular.

(f) The history of performance by assuming insurers in the

domiciliary jurisdiction.

(g) Any documented evidence of substantial problems with the enforcement of final U.S. judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(h) Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.

(i) Any other matters deemed relevant by the commissioner.

(3) A list of qualified jurisdictions shall be published through the NAIC Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under subsections 8.C(2)(a) to (i).

(4) U.S. jurisdictions that meet the requirements for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.

D. Recognition of Certification Issued by an NAIC Accredited Jurisdiction.

(1) If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 and such additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this state.

(2) Any change in the certified reinsurer's status or rating in the other jurisdiction shall apply automatically in this State as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within 10 days after receiving notice of the change.

(3) The commissioner may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with Subparagraph B(7)(a) of this section.

(4) The commissioner may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer's certification in accordance with Subparagraph B(7)(b) of this section, the certified reinsurer's certification shall remain in good standing in this State for a

period of three months, which shall be extended if additional time is necessary to consider the assuming insurer's application for certification in this State.

E. Mandatory Funding Clause. Reinsurance contracts entered into or renewed under this section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer.

F. The commissioner shall comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions.

R590-173-9. Asset or Reduction from Liability for Reinsurance Ceded to an Unauthorized Assuming Insurer not Meeting the Requirements of Sections 4 Through 7.

A. The commissioner shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer in an amount not exceeding the liabilities carried by the ceding insurer. The reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under the reinsurance contract. The security shall be held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of any of the following:

- (1) cash;
- (2) securities listed by the Securities Valuation Office of the NAIC, including those deemed exempt from filing as defined by the Purposes and Procedures Manual of the Securities Valuation Office, and qualifying as admitted assets;
- (3) clean, irrevocable, unconditional and "evergreen" letters of credit that comply with Rule R590-114 issued or confirmed by a qualified United States financial institution; or
- (4) any other form of security acceptable to the commissioner.

B. An admitted asset or a reduction from liability for reinsurance ceded to an unauthorized assuming insurer pursuant to this section shall be allowed only when the requirements of R590-114, Letters of Credit and the applicable portions of Sections R590-173-10 and 11 of this rule have been satisfied.

R590-173-10. Trust Agreements Qualified under Section 9.

- A. Required conditions

(1) The trust agreement shall be entered into between the beneficiary, the grantor and a trustee, which shall be a qualified United States financial institution.

(2) The trust agreement shall create a trust account into which assets shall be deposited.

(3) All assets in the trust account shall be held by the trustee at the trustee's office in the United States.

(4) The trust agreement shall provide that:

(a) the beneficiary shall have the right to withdraw assets from the trust account at any time, without notice to the grantor, subject only to written notice from the beneficiary to the trustee;

(b) no other statement or document is required to be presented to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;

(c) it is not subject to any conditions or qualifications outside of the trust agreement; and

(d) it will not contain references to any other agreements or documents except as provided for in Subsections R590-173-10.A. (11) and (12).

(5) The trust agreement shall be established for the sole benefit of the beneficiary.

(6) The trust agreement shall require the trustee to:

(a) receive assets and hold all assets in a safe place;

(b) determine that all assets are in such form that the beneficiary, or the trustee upon direction by the beneficiary may, whenever necessary, negotiate any such assets, without consent or signature from the grantor or any other person or entity;

(c) furnish to the grantor and the beneficiary a statement of all assets in the trust account upon its inception and at intervals no less frequent than the end of each calendar quarter;

(d) notify the grantor and the beneficiary within 10 days, of any deposits to or withdrawals from the trust account;

(e) upon written demand of the beneficiary, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title and interest in the assets held in the trust account to the beneficiary and deliver physical custody of the assets to the beneficiary; and

(f) allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the beneficiary, except that the trustee may, without the consent of but with notice to the beneficiary, upon call or maturity of any trust asset, withdraw such asset upon condition that the proceeds are paid into the trust account.

(7) The trust agreement shall provide that at least 30 days, but not more than 45 days, prior to termination of the trust account, written notification of termination shall be delivered by

the trustee to the beneficiary.

(8) The trust agreement shall be made subject to and governed by the laws of the state in which the trust is domiciled.

(9) The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying compensation to, or reimbursing the expenses of, the trustee.

(10) The trust agreement shall provide that the trustee shall be liable for its negligence, willful misconduct or lack of good faith.

(11) Notwithstanding other provisions of this rule, when a trust agreement is established in conjunction with a reinsurance agreement covering risks other than life, annuities and accident and health, where it is customary practice to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:

(a) to pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement regarding any losses and allocated loss expenses paid by the ceding insurer, but not recovered from the assuming insurer, or for unearned premiums due to the ceding insurer if not otherwise paid by the assuming insurer;

(b) to make payment to the assuming insurer any amounts held in the trust account that exceed 102 % of the actual amount required to fund the assuming insurer's obligations under the specific reinsurance agreement; or

(c) where the ceding insurer has received notification of termination of the trust account and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged 10 days prior to the termination date, to withdraw amounts equal to the obligations and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution apart from its general assets, in trust for such uses and purposes specified in Subsections R590-173-9.A.(11)(a) and (b) as may remain executory after such withdrawal and for any period after the termination date.

(12) Notwithstanding other provisions of this rule, when a trust agreement is established to meet the requirements of Section R590-173-9. in conjunction with a reinsurance agreement covering life, annuities or accident and health risks, where it is customary to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer

or the assuming insurer, only for the following purposes:

(a) to pay or reimburse the ceding insurer for:

(i) the assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies; and

(ii) the assuming insurer's share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurer, under the terms and provisions of the policies reinsured under the reinsurance agreement;

(b) to pay to the assuming insurer amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer; or

(c) where the ceding insurer has received notification of termination of the trust and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged 10 days prior to the termination date, to withdraw amounts equal to the assuming insurer's share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution apart from its general assets, in trust for the uses and purposes specified in Subsections R590-173-10.A.(12)(a) and (b) as may remain executory after withdrawal and for any period after the termination date.

(13) Either the reinsurance agreement or the trust agreement must stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted by the Insurance Code or any combination of the above, provided investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent (5%) of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities or accident and health risks, then the provisions required by this paragraph must be included in their insurance agreement.

(14) Notwithstanding any other provisions in the trust instrument, if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the

commissioner with regulatory oversight over the trust or court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight or other designated receiver all of the assets of the trust fund. The assets shall be applied in accordance with the priority statutes and laws of the state in which the trust is domiciled applicable to the assets of insurance companies in liquidation. If the commissioner with regulatory oversight determines that all or part of the trust assets are not necessary to satisfy claims of the United States beneficiaries of the trust, all, or any part of the assets shall be returned to the trustee for distribution in accordance with the trust agreement.

B. Permitted conditions.

(1) The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than 90 days after the beneficiary and grantor receive the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than 90 days after the trustee and the beneficiary receive the notice, provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.

(2) The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.

(3) The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions that the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in Subsection R590-173-10.C.(1)(b).

(4) The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. Transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.

(5) The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the

beneficiary shall, with written approval by the beneficiary, be delivered to the grantor.

C. Additional conditions applicable to reinsurance agreements:

(1) A reinsurance agreement may contain provisions that:

(a) require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specify what the agreement is to cover;

(b) require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate these assets without consent or signature from the assuming insurer or any other entity;

(c) require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and

(d) stipulate that the assuming insurer and the ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver or conservator of such company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:

(i) to pay or reimburse the ceding insurer for:

(I) the assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement because of cancellations of such policies;

(II) the assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and

(III) any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

(ii) to make payment to the assuming insurer, amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer.

(2) The reinsurance agreement also may contain provisions

that:

(a) give the assuming insurer the right to seek approval from the ceding insurer, which will not be unreasonably or arbitrarily withheld, to withdraw from the trust account all or any part of the trust assets and transfer those assets to the assuming insurer, provided:

(i) the assuming insurer shall, at the time of withdrawal, replace the withdrawn assets with other qualified assets having a market value equal to the current fair market value of the assets withdrawn so as to maintain at all times the deposit in the required amount; or

(ii) after withdrawal and transfer, the current fair market value of the trust account is no less than 102 % of the required amount;

(b) provide for the return of any amount withdrawn in excess of the actual amounts required for Subsection R590-173-10.C.(1) (e), and for interest payments at a rate not in excess of the prime rate of interest on such amounts held; and

(c) permit the award by any arbitration panel or court of competent jurisdiction of:

(i) interest at a rate different from that provided in Subsection R590-173-10.C.(2) (b);

(ii) court or arbitration costs;

(iii) attorney's fees; and

(iv) any other reasonable expenses.

D. Financial reporting

(1) A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with this department in compliance with the provisions of this rule when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction will be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.

E. Existing agreements

(1) Any trust agreement or underlying reinsurance agreement in existence prior to the effective date of this rule shall continue to be acceptable until January 1, 1999, at which time the agreements must fully comply with this rule for the trust agreement to be acceptable.

F. Identification of a beneficiary

(1) The failure of any trust agreement to specifically identify the beneficiary will not be construed to affect any actions or rights that the commissioner may take or possess

pursuant to the provisions of the laws of this state.

R590-173-11. Other Security.

A ceding insurer may take credit for unencumbered funds withheld by the ceding insurer in the United States subject to withdrawal solely by the ceding insurer and under its exclusive control.

R590-173-12. Contracts Affected.

All new and renewal reinsurance transactions entered into after the effective date of this rule shall conform to the requirements of this rule if credit is to be given to the ceding insurer for such reinsurance.

R590-173-13. Severability.

If any provision of this rule or its application to any person or circumstance is, for any reason, held to be invalid, the remainder of this rule and its application to other persons or circumstances are not affected.
