Rescission is subject to repayment of all life settlement proceeds and any premiums, loans and loan interest to the life settlement provider.
 - (f) Funds will be sent to the owner within three business days after the life settlement provider has received the insurer or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated.

provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years."

(j) Following execution of a life settlement, the insured may be contacted for the purpose of determining the insured's health status and to confirm the insured's residential or business street address and telephone number. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less. All such contacts shall be made only by a life settlement provider licensed in the state in which the owner resided at the time of the life settlement, or by the authorized representative of a duly licensed life settlement provider.

(2) A life settlement provider shall provide the owner with at least the following disclosures no later than the date the life settlement is signed by all parties. The disclosures shall be conspicuously displayed in the life settlement or in a separate document signed by the owner and provide the following information:

(a) The affiliation, if any, between the life settlement provider and the issuer of the insurance policy to be settled.

(b) The document shall include the name, business address and telephone number of the life settlement provider.

(c) The amount and method of calculating the compensation paid or to be paid to the life settlement producer or any other person acting for the owner in connection with the transaction. The term "compensation" includes anything of value paid or given for the placement of a policy.

(d) If an insurance policy to be settled has been issued as a joint policy or involves family riders or any coverage of a life other than the insured under the policy to be settled, the owner shall be informed of the possible loss of coverage on the other lives under the policy and shall be advised to consult with an insurance producer or the insurer issuing the policy for advice on the proposed life settlement.

(e) State the dollar amount of the current death benefit payable to the life settlement provider under the policy or certificate. If known, the life settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate, and the extent to which the owner's interest in those benefits will be transferred as a result of the life settlement.

(f) State the name, business address, and telephone number of the independent third party escrow agent, and the fact that the owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

R590-222-9. Standards for Evaluation of Reasonable Payments.

The life settlement provider is responsible for assuring that the net proceeds from the life settlement exceed the benefits that are available at the time of the life settlement under the terms of the policy including cash surrender, long-term care, and accelerated death benefits.

R590-222-10. Requests for Verification of Coverage.

(1) Insurers, authorized to do business in this state, whose policies are being settled, shall respond to a request for verification of coverage from a life settlement provider or producer within 30 calendar days of the date a request is received, subject to the following conditions:

(a) a current authorization consistent with applicable law, signed by the policyholder or certificate holder, accompanies the request;

(b) in the case of an individual policy, submission of a form substantially similar to the NAIC Verification of Coverage for Life Insurance Policies, dated 2004, which has been completed by the life settlement provider or producer in accordance with the instructions on the form, see Appendix D;

(c) in the case of group insurance coverage:

(i) submission of a form substantially similar to the NAIC Verification of Coverage for Life Insurance Policies dated 2004, which has been completed by the life settlement provider or producer in accordance with the instructions on the form, see Appendix D; and

(ii) which has previously been referred to the group policyholder and completed to the extent the information is available to the group policyholder.

(2) An insurer whose policy is being settled may not charge a fee for responding to a request for information from a life settlement provider or producer in compliance with this rule in excess of any usual and customary charges to policyholders, certificate holders or insureds for similar services.

(3) The insurer whose policy is being settled shall send an acknowledgment of receipt of the request for verification of coverage to the policyholder or certificate holder and, where the policyholder or certificate holder is other than the insured, to the insured. The acknowledgment may contain a general description of any accelerated death benefit or similar benefit that is available under a provision of or rider to the life insurance contract.

R590-222-11. Advertising.

(1) This section shall apply to advertising of life settlements, related products, or services intended for dissemination in this state. Failure to comply with any provision of this section is determined to be a violation of Section 31A-36-112.

(2) The form and content of an advertisement of a life settlement shall be sufficiently complete and clear so as to avoid misleading or deceiving the reader, viewer, or listener. It shall not contain false or misleading information, including information that is false or misleading because it is incomplete.

(3) Information required to be disclosed shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

(4) An advertisement shall not omit material information or use words, phrases, statements, references or illustrations if the omission or use has the capacity, tendency or effect of misleading or deceiving owners, as to the nature or extent of any benefit, loss covered, premium payable, or state or federal tax consequence.

(5) An advertisement shall not use the name or title of an insurer or an insurance policy unless the affected insurer has approved the advertisement.

(6) An advertisement shall not state or imply that interest charged on an accelerated death benefit or a policy loan is unfair, inequitable or in any manner an incorrect or improper practice.

(7) The words "free," "no cost," "without cost," "no additional cost", "at no extra cost," or words of similar import shall not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.

(8) Testimonials, appraisals or analysis used in advertisements must be genuine; represent the current opinion of the author; be applicable to the life settlement product or service advertised, if any; and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective owners as to the nature or scope of the testimonials, appraisal, analysis or endorsement. In using testimonials, appraisals or analysis, the life settlement licensee makes, as its own, all the statements contained therein, and the statements are subject to all the provisions of this section.

(a) If the individual making a testimonial, appraisal, analysis or an endorsement has a financial interest in the party making use of the testimonial, appraisal, analysis or endorsement, either directly or through a related entity as a stockholder, director, officer, employee or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

(b) An advertisement shall not state or imply that a life settlement benefit or service has been approved or endorsed by a group of individuals, society, association or other organization unless that is the fact and unless any relationship between an organization and the life settlement licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled or managed by the life settlement licensee, or receives any payment or other consideration from the life settlement licensee for making an endorsement or testimonial, that fact shall be disclosed in the advertisement.

(c) When an endorsement refers to benefits received under a life settlement, all pertinent information shall be retained for a period of five years after its use.

(9) An advertisement shall not contain statistical information unless it accurately reflects recent and relevant facts. The source of all statistics used in an advertisement shall be identified.

(10) An advertisement shall not disparage insurers, life settlement providers, life settlement producers, life settlement investment agents, anyone who may recommend a life settlement, insurance producers, policies, services or methods of marketing.

(11) The name of the life settlement licensee shall be clearly identified in all advertisements about the licensee or its life settlement, products or services, and if any specific life settlement is advertised, the life settlement shall be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name and administrative office address of the life settlement provider shall be shown on the application.

(12) An advertisement shall not use a trade name, group designation, name of the parent company of a life settlement licensee, name of a particular division of the life settlement licensee, service mark, slogan, symbol or other device or reference without disclosing the name of the life settlement licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the life settlement licensee, or to create the impression that a company other than the life settlement licensee would have any responsibility for the financial obligation under a life settlement.

(13) An advertisement shall not use any combination of words, symbols or physical materials that by their content, phraseology, shape, color or other characteristics are so similar to a combination of words, symbols or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective owners into believing that the solicitation is in some manner connected with a government program or agency.

(14) An advertisement may state that a life settlement licensee is licensed in the state where the advertisement appears, provided it does not exaggerate that fact or suggest or imply that a competing life settlement licensee may not be so licensed. The advertisement may ask the audience to consult the licensee's web site or contact the department of insurance to find out if the state requires licensing and, if so, whether the life settlement provider or producer is licensed.

(15) An advertisement shall not create the impression that the life settlement provider, its financial condition or status, the payment of its claims, or the merits, desirability, or advisability of its life settlements are recommended or endorsed by any government entity.

(16) The name of the actual licensee shall be stated in all of its advertisements. An advertisement shall not use a trade name, any group designation, name of any affiliate or controlling entity of the licensee, service mark, slogan, symbol or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the licensee.

(17) An advertisement shall not directly or indirectly create the impression that any division or agency of the state or of the U.S. government endorses, approves or favors:

(a) any life settlement licensee or its business practices or methods of operations;

- (b) the merits, desirability or advisability of any life settlement;
- (c) any life settlement; or
- (d) any life insurance policy or life insurance company.

(18) If the advertisement emphasizes the speed with which the settlement will occur, the advertising must disclose the average time frame from completed application to the date of offer and from acceptance of the offer to receipt of the funds by the owner.

(19) If the advertising emphasizes the dollar amounts available to owners, the advertising shall disclose the average purchase price as a percent of face value obtained by owners contracting with the licensee during the past six months.

R590-222-12. Reporting of Fraud.

(1) A person engaged in the business of life settlements under Title 31A, Chapter 36, that knows or has reasonable cause to suspect that any person has violated or will violate any provision of Section 31A-36-113, shall, upon acquiring the knowledge, promptly notify the commissioner and provide the commissioner with a complete and accurate statement of all of the relevant facts and circumstances. Any other person acquiring such knowledge may furnish the information to the commissioner in the same manner. The report is a protected communication and when made without actual malice does not subject the person making the report to any liability whatsoever. The commissioner may suspend, revoke, or refuse to renew the license of any person who fails to comply with this section.

R590-222-13. Prohibited Practices.

(1) A life settlement provider or producer shall obtain from a person that is provided with patient identifying information a signed affirmation that the person or entity will not further divulge the information without procuring the express, written consent of the insured for the disclosure. Notwithstanding the foregoing, if a life settlement provider or producer is served with a subpoena and, therefore, compelled to produce records containing patient identifying information, it shall notify the owner and the insured in writing at their last known addresses within five business days after receiving notice of the subpoena.

(2) A life settlement provider shall not also act as a life settlement producer in the same life settlement, whether entitled to collect a fee directly or indirectly.

(3) A life settlement producer shall not seek or obtain any compensation from the owner without the written agreement of the owner obtained prior to performing any services in connection with a life settlement.

(4) A life settlement provider or producer shall not unfairly discriminate in the making or soliciting of life settlements, or discriminate between owners with dependents and without dependents.

(5) A life settlement provider or producer shall not pay or offer to pay any finder's fee, commission or other compensation to any insured's physician, or to an attorney, accountant or other person providing medical, legal or financial planning services to the owner, or to any other person acting as an agent of the owner, other than a life settlement producer, with respect to the life settlement.

R590-222-14. Filing of Forms.

(1) All forms to be used for a life settlement shall be filed with the commissioner prior to use. The department is not required to review each form and does not provide approval for a filing. The forms will be identified as "filed for use" when submitted to the department with all requirements. The forms to be filed include the life settlement, disclosure to the owner, notice of intent to settle, verification of coverage, and application.

(2) A form filing consists of:

(a) a cover letter on the licensee's letterhead that provides the following:

(i) a list of the forms being filed by title and any identification number given the document;

(ii) a description of the filing; and

(iii) an indication whether the form:

(A) is new; or

(B) replacing or modifying a previously filed form; if so, describe the changes being made, the reason, and the date previously filed; and

(b) a copy of each form to be filed.

(3) The form filing and any responses must be submitted via email to life.uid@utah.gov.

(4) If a filing has been rejected, the filing must be resubmitted as a new filing.

(5) If a Filing Objection Letter has been issued, the response must include:

(a) a new cover letter identifying the changes made; and

(b) one copy of the revised form.

(6) Companies may request the status of their filing by email, telephone, or mail after 30 days from the date of submission.

R590-222-15. Enforcement Date.

The commissioner will begin enforcing the revised provisions of this rule 30 days from the rule's effective date.

R590-222-16. Penalties.

A person found, after an administrative proceeding, to be in violation of this rule shall be subject to penalties as provided under Section 31A-2-308.

R590-222-17. Severability.

If any provision or clause of this rule or its application to any person or situation is held to be invalid, such invalidity may not affect any other provision or application of this rule which can be given effect without the invalid provision or application, and to this end the provisions of this rule are declared to be severable.
