- (2) 31A-2-203(6)(b)(ii) and 31A-5-412(2)(f), which authorize the commissioner to make rules pertaining to annual financial reporting requirements.

R590-254-2. Purpose and Scope.

(1) The purpose of this rule is to improve the commissioner's surveillance of the financial condition of insurers by requiring the submission of the following reports and documents:

(a) an annual audit of financial statements reporting the financial position and the results of operations of insurers by independent certified public accountants;

(b) communication of internal control related matters noted in an audit; and

(c) management's Report of Internal Control over Financial Reporting.

(2) This rule applies to an insurer, as defined in Section R590-254-3.

(3) An insurer shall be exempt from this rule for the calendar year if an insurer:

(a) has direct written premium of less than \$1,000,000 written in this state in any calendar year; and

(b) less than 1,000 policyholders or certificate holders of direct written policies nationwide at the end of the calendar year.

(4) The exemption under Subsections (3)(a) and (3)(b) shall apply unless:

(a) the commissioner makes a specific finding that compliance is necessary for the commissioner to carry out statutory responsibilities; or

(b) the insurer has assumed premiums pursuant to contracts and treaties, or both, of reinsurance of \$1,000,000 or more.

(5) A foreign or alien insurer filing an audited financial report in another state, pursuant to that state's requirement for filing of audited financial reports, which has been found by the commissioner to be substantially similar to the requirements in this rule, is exempt from Sections R590-254-4 through R590-254-13 if:

(a) a copy of the audited financial report, Communication of Internal Control Related Matters Noted in an Audit, and the Accountant's Letter of Qualifications that are filed with the other state are filed with the commissioner in accordance with the filing dates specified in Sections R590-254-4, R590-254-11, and R590-254-12, respectively; or

(b) a Canadian insurer may submit accountants' reports as filed with the Office of the Superintendent of Financial Institutions, Canada; and

(c) a copy of any Notification of Adverse Financial Condition Report filed with the other state is filed with the commissioner within the time specified in Section R590-254-10.

(6) A foreign or alien insurer required to file a Management's Report of Internal Control over Financial Reporting in another state is exempt from filing the Report in this state provided the other state has:

(a) substantially similar reporting requirements; and

(b) the report is filed with the commissioner of the other state within the time specified.

(7) This rule may not prohibit, preclude, or in any way limit the commissioner from ordering or conducting or performing examinations of insurers under the rules, practices, and procedures of the department.

- (1) An insurer shall have an annual audit by an independent certified public accountant and shall file an audited financial report with the commissioner on or before June 1 for the year ended December 31 immediately preceding. The commissioner may require an insurer to file an audited financial report earlier than June 1 with 90 days advance notice to the insurer.
- (2) Extensions of the June 1 filing date may be granted by the commissioner for 30 day periods upon a showing by the insurer and its independent certified public accountant of the reasons for requesting an extension and determination by the commissioner of good cause for an extension. The request for extension must be submitted in writing not less than 10 days prior to the due date in sufficient detail to permit the commissioner to make an informed decision with respect to the requested extension.
- (3) If an extension is granted in accordance with the provisions in Subsection (2), a similar extension of 30 days is granted to the filing of Management's Report of Internal Control over Financial Reporting.
- (4) Each insurer required to file an annual audited financial report pursuant to this rule shall designate a group of individuals as constituting its audit committee, as defined in Section R590-254-3. The audit committee of an entity that controls an insurer may be deemed to be the insurer's audit committee for purposes of this rule at the election of the controlling person.

R590-254-5. Contents of an Annual Audited Financial Report.

- (1) An annual audited financial report shall report the financial position of the insurer as of the end of the most recent calendar year and the results of its operations, cash flows, and changes in capital and surplus for the year then ended in conformity with statutory accounting practices prescribed, or otherwise permitted, by the department of insurance of the state of domicile.
- (2) The annual audited financial report shall include the following:
 - (a) report of independent certified public accountant;
 - (b) balance sheet reporting admitted assets, liabilities, capital, and surplus;
 - (c) statement of operations;
 - (d) statement of cash flow;

- (e) statement of changes in capital and surplus;
- (f) notes to financial statements:
- (i) these notes shall be those required by the appropriate NAIC Annual Statement Instructions and the NAIC Accounting Practices and Procedures Manual; and
- (ii) the notes shall include a reconciliation of differences, if any, between the audited statutory financial statements and the annual statement filed pursuant to Sections 31A-4-113 and 31A-4-113.5 with a written description of the nature of these differences; and
- (g) the financial statements included in the audited financial report:
 - (i) the statements shall be prepared in a form and using language and groupings substantially the same as the relevant sections of the annual statement of the insurer filed with the commissioner; and
 - (ii) shall be comparative, presenting the amounts as of December 31 of the current year and the amounts as of the immediately preceding December 31, except that the comparative data may be omitted in the first year in which an insurer is required to file an audited financial report.

R590-254-6. Designation of Independent Certified Public Accountant.

(1) Each insurer required by this rule to file an annual audited financial report must within 60 days after becoming subject to the requirement, register with the commissioner in writing the name and address of the independent certified public accountant or accounting firm retained to conduct the annual audit set forth in this rule.

(2) Any insurer not retaining an independent certified public accountant on the effective date of this rule shall register the name and address of their retained independent certified public accountant not less than six months before the date when the first audited financial report is to be filed.

(3) The insurer shall obtain a letter from the accountant, and file a copy with the commissioner stating that the accountant is aware of the provisions of the insurance code and the rules of the insurance department of the state of domicile that relate to accounting and financial matters and affirming that the accountant will express an opinion on the financial statements in terms of their conformity to the statutory accounting practices prescribed or otherwise permitted by that insurance department, specifying such exceptions as the accountant may believe appropriate.

(4) If an accountant who was the accountant for the immediately preceding filed audited financial report is dismissed or resigns, the insurer shall:

- (a) within five business days notify the commissioner of this event;
- (b) furnish the commissioner with a separate letter within 10 business days of the above notification stating whether in the 24 months preceding such event there were any disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure; which disagreements, if not resolved to the satisfaction of the former accountant, would have caused the accountant to make reference to the subject matter of the disagreement in connection with an opinion:
 - (i) the disagreements required to be reported in response to this section include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction; and
 - (ii) disagreements contemplated by this section are those that occur at the decision-making level, i.e., between personnel of the insurer responsible for presentation of its financial statements and personnel of the accounting firm responsible for rendering its report; and
- (c) in writing, request the former accountant to furnish a letter addressed to the insurer stating whether the accountant agrees with the statements contained in the insurer's letter and, if not, stating the reasons for which the accountant does not agree; the insurer shall furnish the response letter from the former accountant to the commissioner together with its own.

R590-254-7. Qualifications of Independent Certified Public Accountant.

(1) The commissioner may not recognize a person or firm as a qualified independent certified public accountant if the person or firm:

- (a) is not in good standing with the AICPA and in all states in which the accountant is licensed to practice, or, for a Canadian or British company, that is not a chartered accountant; or
- (b) has either directly or indirectly entered into an agreement of indemnity or release from liability, collectively referred to as indemnification, with respect to the audit of the insurer.

(2) Except as otherwise provided in this rule, the commissioner shall recognize an independent certified public accountant as qualified as long as the accountant conforms to the standards of the profession, as contained in the Code of Professional Ethics of the AICPA and Rules and Regulations and Code of Ethics and Rules of Professional Conduct of the Utah Division of Occupational and Professional Licensing for Accountancy, or similar code.

(3) A qualified independent certified public accountant may enter into an agreement with an insurer to have disputes relating to an audit resolved by mediation or arbitration. However, in the event of a delinquency proceeding commenced against the insurer under Chapter 31A-27a, Insurer Receivership Act, the mediation or arbitration provisions shall operate at the option of the statutory successor.

(4)(a) The lead, or coordinating, audit partner, having primary responsibility for the audit, may not act in that capacity for

more than five consecutive years.

(i) The person shall be disqualified from acting in that or a similar capacity for the same company or its insurance subsidiaries or affiliates for a period of five consecutive years.

(ii) An insurer may apply to the commissioner for relief from the above rotation requirement on the basis of unusual circumstances.

(iii) This application should be made at least 30 days before the end of the calendar year. The commissioner may consider the following factors in determining if the relief should be granted:

(A) number of partners, expertise of the partners or the number of insurance clients in the currently registered firm;

(B) premium volume of the insurer; or

(C) number of jurisdictions in which the insurer transacts business.

(b)(i) The insurer shall file, with its annual statement filing, the approval for relief from Subsection (4)(a) with the states that it is licensed in or doing business in and with the NAIC.

(ii) If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

(5) The commissioner may neither recognize as a qualified independent certified public accountant, nor accept an annual audited financial report, prepared in whole or in part by, a natural person who:

(a) has been convicted of fraud, bribery, a violation of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. Sections 1961 to 1968, or any dishonest conduct or practices under federal or state law;

(b) has been found to have violated the insurance laws of this state with respect to any previous reports submitted under this rule; or

(c) has demonstrated a pattern or practice of failing to detect or disclose material information in previous reports filed under the provisions of this rule.

(6) The commissioner, as provided in Subsection 31A-2-201(4), may, as provided in Subsection 31A-2-201(5), hold a hearing to determine whether an independent certified public accountant is qualified and, considering the evidence presented, may rule that the accountant is not qualified for purposes of expressing an opinion on the financial statements in the annual audited financial report made pursuant to this rule and require the insurer to replace the accountant with another whose relationship with the insurer is qualified within the meaning of this rule.

(7)(a) The commissioner may not recognize as a qualified independent certified public accountant, nor accept an annual audited financial report, prepared in whole or in part by an accountant who provides to an insurer, contemporaneously with the audit, the following non-audit services:

(i) bookkeeping or other services related to the accounting records or financial statements of the insurer;

(ii) financial information systems design and implementation;

(iii) appraisal or valuation services, fairness opinions, or contribution-in-kind reports;

(iv) actuarially-oriented advisory services involving the determination of amounts recorded in the financial statements except that:

(A) the accountant may assist an insurer in understanding the methods, assumptions, and inputs used in the determination of amounts recorded in the financial statement only if it is reasonable to conclude that the services provided will not be subject to audit procedures during an audit of the insurer's financial statements; and

(B) an accountant's actuary may also issue an actuarial opinion or certification "opinion" on an insurer's reserves if the following conditions have been met:

(I) neither the accountant nor the accountant's actuary has performed any management functions or made any management decisions;

(II) the insurer has competent personnel, or engages a third-party actuary, to estimate the reserves for which management takes responsibility; and

(III) the accountant's actuary tests the reasonableness of the reserves after the insurer's management has determined the amount of the reserves;

(v) internal audit outsourcing services;

(vi) management functions or human resources;

(vii) broker or dealer, investment adviser, or investment banking services;

(viii) legal services or expert services unrelated to the audit; or

(ix) any other services that the commissioner determines, by rule, are impermissible.

(b) In general, the principles of independence with respect to services provided by the qualified independent certified public accountant are largely predicated on three basic principles, violations of which would impair the accountant's independence. The accountant:

(i) cannot function in the role of management;

(ii) cannot audit the accountant's own work; and

(iii) cannot serve in an advocacy role for the insurer.

(8) Insurers having direct written and assumed premiums of less than \$100,000,000 in any calendar year may request an exemption from Subsection (7)(a).

(a) The insurer shall file with the commissioner a written statement discussing the reasons why the insurer should be exempt from these provisions.

(b) If the commissioner finds, upon review of this statement, that compliance with this rule would constitute a financial or organizational hardship upon the insurer, an exemption may be granted.

(9) A qualified independent certified public accountant who performs the audit may engage in other non-audit services, including tax services, that are not described in Subsection (7)(a) or that do not conflict with Subsection (7)(b), only if the activity is approved in advance by the audit committee, in accordance with Subsection (10).

(10)(a) All auditing services and non-audit services provided to an insurer by the qualified independent certified public accountant of the insurer shall be preapproved by the audit committee.

(b) The preapproval requirement is waived with respect to non-audit services if the insurer is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant Entity or:

(i) the aggregate amount of all such non-audit services provided to the insurer constitutes not more than 5% of the total amount of fees paid by the insurer to its qualified independent certified public accountant during the fiscal year in which the non-audit services are provided;

(ii) the services were not recognized by the insurer at the time of the engagement to be non-audit services; and

(iii) the services are promptly brought to the attention of the audit committee and approved prior to the completion of the audit by the audit committee or by one or more members of the audit committee who are the members of the board of directors to whom authority to grant such approvals has been delegated by the audit committee.

(11)(a) The audit committee may delegate to one or more designated members of the audit committee the authority to grant the preapprovals required by Subsection (10).

(b) The decisions of any member to whom this authority is delegated shall be presented to the full audit committee at each of its scheduled meetings.

(12)(a)(i) The commissioner may not recognize an independent certified public accountant as qualified for a particular insurer if a member of the board, president, chief executive officer, controller, chief financial officer, chief accounting officer, or any person serving in an equivalent position for that insurer, was employed by the independent certified public accountant and participated in the audit of that insurer during the one-year period preceding the date that the most current statutory opinion is due.

(ii) This section shall only apply to partners and senior managers involved in the audit.

(iii) An insurer may apply to the commissioner for relief from the above requirement on the basis of unusual circumstances.

(b)(i) The insurer shall file, with its annual statement filing, the approval for relief from Subsection (12)(a) with the states that it is licensed in or doing business in and the NAIC.

(ii) If the nondomestic state accepts electronic filing with the NAIC, the insurer shall file the approval in an electronic format acceptable to the NAIC.

R590-254-8. Consolidated or Combined Audits.

An insurer may make written application to the commissioner for approval to file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that utilizes a pooling or 100% reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer cedes all of its direct and assumed business to the pool. In such cases, a columnar consolidating or combining worksheet shall be filed with the report, as follows:

- (1) amounts shown on the consolidated or combined audited financial report shall be shown on the worksheet;
- (2) amounts for each insurer subject to this section shall be stated separately;
- (3) noninsurance operations may be shown on the worksheet on a combined or individual basis;
- (4) explanations of consolidating and eliminating entries shall be included; and
- (5) a reconciliation shall be included of any differences between the amounts shown in the individual insurer columns of the worksheet and comparable amounts shown on the annual statements of the insurers.

R590-254-9. Scope of Audit and Report of Independent Certified Public Accountant.

(1) Financial statements furnished pursuant to Section R590-254-5 shall be examined by the independent certified public accountant.

(2) The audit of the insurer's financial statements shall be conducted in accordance with generally accepted auditing standards.

(3) In accordance with AU Section 319 of the Professional Standards of the AICPA, Consideration of Internal Control in a Financial Statement Audit, the independent certified public accountant should obtain an understanding of internal control sufficient to plan the audit.

(4) To the extent required by AU 319, for those insurers required to file a Management's Report of Internal Control over Financial Reporting pursuant to Section R590-254-17, the independent certified public accountant should consider, as that term is defined in Statement on Auditing Standards (SAS) No. 102, Defining Professional Requirements in Statements on Auditing Standards or its replacement, the most recently available report in planning and performing the audit of the statutory financial

statements.

(5) Consideration shall be given to the procedures illustrated in the Financial Condition Examiners Handbook promulgated by the National Association of Insurance Commissioners as the independent certified public accountant deems necessary.

R590-254-10. Notification of Adverse Financial Condition.

(1) The insurer required to furnish the annual audited financial report shall require the independent certified public accountant to report, in writing, within five business days to the board of directors or its audit committee any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported to the commissioner as of the balance sheet date currently under audit or that the insurer does not meet the minimum capital and surplus requirement of Title 31A, Insurance Code, as of that date.

(a) An insurer that has received a report pursuant to this paragraph shall forward a copy of the report to the commissioner within five business days of receipt of the report and shall provide the independent certified public accountant making the report with evidence of the report being furnished to the commissioner.

(b) If the independent certified public accountant fails to receive the evidence within the required five business day period, the independent certified public accountant shall furnish to the commissioner a copy of its report within the next five business days.

(2) No independent certified public accountant shall be liable in any manner to any person for any statement made in connection with Section R590-254-10 if the statement is made in good faith in compliance with Subsection (1).

(3) If the accountant, subsequent to the date of the audited financial report filed pursuant to this rule, becomes aware of facts that might have affected a report, the commissioner notes the obligation of the accountant to take such action as prescribed in Volume 1, Section AU 561 of the Professional Standards of the AICPA.

R590-254-11. Communication of Internal Control Related Matters Noted in an Audit.

(1) In addition to the annual audited financial report, each insurer shall furnish the commissioner with a written communication as to any unremediated material weaknesses in its internal control over financial reporting noted during the audit.

(a) Such communication shall be prepared by the accountant within 60 days after the filing of the annual audited financial report, and shall contain a description of any unremediated material weakness, as the term material weakness is defined by Statement on Auditing Standards 60, Communication of Internal Control Related Matters Noted in an Audit, or its replacement, as of December 31 immediately preceding, so as to coincide with the audited financial report discussed in Subsection R590-254-4(1), in the insurer's internal control over financial reporting noted by the accountant during the course of their audit of the financial statements.

(b) If no unremediated material weaknesses were noted, the communication should so state.

(2) The insurer is required to provide a description of remedial actions taken or proposed to correct unremediated material weaknesses, if the actions are not described in the accountant's communication.

R590-254-12. Accountant's Letter of Qualifications.

(1) The accountant shall furnish the insurer in connection with, and for inclusion in, the filing of the annual audited financial report, a letter stating:

(a) that the accountant is independent with respect to the insurer and conforms to the standards of the profession as contained in the Code of Professional Ethics and pronouncements of the AICPA and the Rules of Professional Conduct of the Utah Division of Occupational and Professional Licensing for Accountancy, or similar code;

(b) the background and experience in general, and the experience in audits of insurers of the staff assigned to the engagement and whether each is an independent certified public accountant;

(c) that the accountant understands the annual audited financial report and that the accountant's opinion thereon will be filed in compliance with this rule and that the commissioner will be relying on this information in the monitoring and regulation of the financial position of insurers;

(d) that the accountant consents to the requirements of Section R590-254-13 of this rule and that the accountant consents and agrees to make available for review by the commissioner, or the commissioner's designee or appointed agent, the workpapers, as defined in Section R590-254-13;

(e) a representation that the accountant is properly licensed by an appropriate state licensing authority and is a member in good standing in the AICPA; and

(f) a representation that the accountant is in compliance with the requirements of Section R590-254-7.

(2) Nothing within this rule shall be construed as prohibiting the accountant from utilizing staff as appropriate where use is consistent with the standards prescribed by generally accepted auditing standards.

R590-254-13. Definition, Availability and Maintenance of Independent Certified Public Accountants Workpapers.

(1)(a) Workpapers are the records kept by the independent certified public accountant of the procedures followed, the tests performed, the information obtained, and the conclusions reached pertinent to the accountant's audit of the financial statements of an insurer.

(b) Workpapers may include audit planning documentation, work programs, analyses, memoranda, letters of confirmation

and representation, abstracts of company documents, and schedules or commentaries prepared or obtained by the independent certified public accountant in the course of an audit of the financial statements of an insurer and which support the accountant's opinion.

(2)(a) Each insurer required to file an audited financial report pursuant to this rule, shall require the accountant to make available for review by insurance department examiners, all workpapers prepared in the conduct of the accountant's audit and any communications related to the audit between the accountant and the insurer, at the offices of the insurer, at the insurance department or at any other reasonable place designated by the commissioner.

(b) The insurer shall require that the accountant retain the audit workpapers and communications until the insurance department has filed a report on examination covering the period of the audit but no longer than seven years from the date of the audit report.

(3)(a) In the conduct of the aforementioned periodic review by the insurance department examiners, it shall be agreed that photocopies of pertinent audit workpapers may be made and retained by the department.

(b) Such reviews by the department examiners shall be considered investigations and all working papers and communications obtained during the course of such investigations shall be afforded the same confidentiality as other examination workpapers generated by the department.

R590-254-14. Requirements for Audit Committees.

(1) This section shall not apply to foreign or alien insurers licensed in this state or an insurer that is a SOX Compliant Entity or a direct or indirect wholly-owned subsidiary of a SOX Compliant Entity.

(2) The audit committee shall be directly responsible for the appointment, compensation, and oversight of the work of any accountant, including resolution of disagreements between management and the accountant regarding financial reporting, for the purpose of preparing or issuing the audited financial report or related work pursuant to this rule. Each accountant shall report directly to the audit committee.

(3) Each member of the audit committee shall be a member of the board of directors of the insurer or a member of the board of directors of an entity elected pursuant to Subsection (6) and Subsection R590-254-3(3).

(4) In order to be considered independent for purposes of this section, a member of the audit committee:

(a) may not, other than in the capacity as a member of the audit committee, the board of directors, or any other board committee, accept any consulting, advisory or other compensatory fee from the entity or be an affiliated person of the entity or any subsidiary of the entity; or

(b) if law requires board participation by otherwise non-independent members, that law shall prevail and such members may participate in the audit committee and be designated as independent for audit committee purposes, unless they are an officer or employee of the insurer or one of its affiliates.

(5) If a member of the audit committee ceases to be independent for reasons outside the member's reasonable control, that person, with notice by the responsible entity to the state, may remain an audit committee member of the responsible entity until the earlier of the next annual meeting of the responsible entity or one year from the occurrence of the event that caused the member to be no longer independent.

(6) To exercise the election of the controlling person to designate the audit committee for purposes of this rule, the ultimate controlling person shall provide written notice to the commissioners of the affected insurers.

(a) Notification shall be made timely prior to the issuance of the statutory audit report and include a description of the basis for the election.

(b) The election can be changed through notice to the commissioner by the insurer, which shall include a description of the basis for the change.

(c) The election shall remain in effect for perpetuity, until rescinded.

(7)(a) The audit committee shall require the accountant that performs for an insurer any audit required by this rule to timely report to the audit committee in accordance with the requirements of SAS 61, Communication with Audit Committees, or its replacement, including:

(i) all significant accounting policies and material permitted practices;

(ii) all material alternative treatments of financial information within statutory accounting principles that have been discussed with management officials of the insurer, ramifications of the use of the alternative disclosures and treatments, and the treatment preferred by the accountant; and

(iii) other material written communications between the accountant and the management of the insurer, such as any management letter or schedule of unadjusted differences.

(b) If an insurer is a member of an insurance holding company system, the reports required by Subsection (7)(a) may be provided to the audit committee on an aggregate basis for insurers in the holding company system, provided that any substantial differences among insurers in the system are identified to the audit committee.

(8) The proportion of independent audit committee members shall meet or exceed the following criteria:
