R590-68-1. Authority.

This rule is adopted pursuant to Subsection 31A-2-201(3), which authorizes rules to implement the Insurance Code, and Subsection 31A-5-303(3)(a), which allows the commissioner to adopt a rule to "define terms and prescribe conditions regarding securities held in the ordinary course of business and incident to the establishment of maintenance of a primary or secondary market."

R590-68-2. Definition of Certain Terms.

A. "Insurer" means any domestic stock insurance company with an equity security subject to the provisions of Section 31A-5-303.

B. "Act" means the Federal Securities Exchange Act of 1934.

C. "Officer" means a president, vice president, treasurer, actuary, secretary, controller and any other person who performs for the insurer functions corresponding to those performed by the foregoing officers.

D. "Equity security" means any stock or similar security; or any voting trust certificate or certificate of deposit for a security; or any security convertible, with or without consideration, into a security, or carrying any warrant or right to subscribe to or purchase a security; or warrant or right.

E. Securities "held of record."

1. For the purpose of determining whether the equity securities of an insurer are held of record by 100 or more persons, securities shall be considered "held of record" by each person who is identified as the owner of securities on records of security holders maintained by or on behalf of the insurer, subject to the following:

(a) where the records of security holders have not been maintained in accordance with accepted practice, any additional person who would be identified as an owner on these records if they had been maintained in accordance with accepted practice shall be included as a holder of record;

(b) securities identified as held of record by a corporation, a partnership, a trust whether or not the trustees are named, or other organization shall be included as so held by one person;

(c) securities identified as held of record by one or more persons as trustees, executors, guardians, custodians, or in other fiduciary capacities with respect to a single trust, estate or account shall be included as held of record by one person;

(d) securities held by two or more persons as co-owners shall be included as held by one person;

(e) each outstanding unregistered or bearer certificate shall be included as held of record by a separate person, except to the extent that the insurer can establish that, if securities were registered, they would be held of record, under the provisions of this rule, by a lesser number of person; and

(f) Securities registered in substantially similar names where the insurer has reason to believe, because of the address or other indications, represent the same person and may be included as held of record by one person.

2. Notwithstanding Subsection E.(1) of this section:

(a) securities held to the knowledge of the insurer, subject to a voting trust, deposit agreement or similar arrangement shall be included as held of record by the record holders of the voting trust certificates, certificates of deposit, receipts or similar evidences of interest in these securities; provided however, that the insurer may rely in good faith on information received in response to its request from a nonaffiliated insurer of the certificates or evidences of interest; and

(b) if the insurer knows or has reason to know that the form of holding securities of record is used primarily to circumvent the provisions of the Act, the beneficial owners of securities shall be considered the record owners.

E. "Class" means securities of an insurer which are of substantially similar character and the holders of which enjoy substantially similar rights and privileges.

R590-68-3. Transactions Exempted From the Operation of Section 31A-5-303.

Any acquisition or disposition of any equity security by a director or officer of an insurer within six months prior to the date on which the Act shall first become applicable with respect to the equity securities of the insurer shall not be subject to the operation of Section 31A-5-303.

R590-68-4. Filing of Statements.

Initial statements of beneficial ownership of equity securities required by Section 31A-5-303 shall be filed on Form A, entitled "Initial Statement of Beneficial Ownership of Equity Securities." The statements shall be prepared and ownership required by Section 31A-5-303, and shall be filed on Form B, entitled "Statement of Changes in Beneficial Ownership of Securities." Statements of changes in a beneficial ownership shall be filed in accordance with the requirements of the applicable form. These forms are available from the Insurance Department.

In determining, for the purpose of Section 31A-5-303, whether a person is the beneficial owner, directly or indirectly, of more

than ten per cent of any class of any equity security, the class shall consist of the total amount of the class outstanding, exclusive of any securities of the class held by or for the account of the insurer or a subsidiary of the insurer; except that for the purpose of determining percentage ownership of voting trust certificates or certificates of deposit for equity securities, the class of voting trust certificates or certificates of deposit shall consist of the amount of voting trust certificates or certificates of deposit issuable with respect to the total amount of outstanding equity securities of the class which may be deposited under the voting trust agreement or deposit agreement in question, whether or not outstanding securities have been so deposited. For the purpose of this section a person acting in good faith may rely on the information contained in the latest Convention Form Statement filed with the commissioner with respect to the amount of Securities of a class outstanding, or in the case of voting trust certificates or certificates of deposit, the amount issuable.

R590-68-5. Disclaimer of Beneficial Ownership.

Any person filing a statement may expressly declare, for the purpose of the Act, that the filing of the statement shall not be construed as an admission that a person is the beneficial owner of any equity securities covered by the statement.

R590-68-6. Exemptions from Section 31A-5-303.

A. During the period of 12 months following their appointment and qualification, securities held by the following persons shall be exempt from Section 31A-5-303:

1. executors or administrators of the estate of a decedent;
2. guardians or committees for an incompetent; and
3. receivers, trustees in bankruptcy, assignees for the benefit of creditors, conservators, liquidating agents, and other similar persons duly authorized by law to administer the estate or assets of other persons.

B. After the 12 month period following their appointment or qualification, the foregoing persons shall be required to file reports with respect to the securities held by the estates which they administer under Section 31A-5-303, and shall be liable for profits realized from trading securities pursuant to Section 31A-5-303, only when the estate being administered is a beneficial owner of more than ten per cent of any class of equity security of an insurer subject to the Act.

C. Securities reacquired by or for the account of an insurer and held by it for its account shall be exempt from Section 31A-5-303 during the time they are held by the insurer.

R590-68-7. Exemption From the Act of Securities Purchased or Sold by Odd-Lot Dealers.

Securities exempt from the provisions of the Act are purchased or sold by an odd-lot dealer:

(1) in odd lots so far as reasonably necessary to carry on odd-lot transactions; or

(2) in round lots to offset odd-lot transactions previously or simultaneously executed or reasonably anticipated in the usual course of business.

R590-68-8. Certain Transactions Subject to Section 31A-5-303.

The acquisition or disposition of any transferable option, put, call, spread or straddle shall be considered a change in the beneficial ownership of the security to which the privilege relates to require the filing of a statement reflecting the acquisition or disposition of the privilege. Nothing in this section, however, shall exempt any person from filing the statements required upon the exercise of the option, put, call, spread or straddle.

R590-68-9. Ownership of Securities Held in Trust.

A. Beneficial ownership of a security for the purpose of Section 31A-5-303 shall include:

1. the ownership of securities as a trustee where either the trustee or members of his immediate family have a vested interest in the income or corpus of the trust,

2. the ownership of a vested beneficial interest in a trust; and

3. the ownership of securities as a settlor of a trust in which the settlor has the power to revoke the trust without obtaining the consent of the beneficiaries.

B. Except as provided in Subsection C., beneficial ownership of securities solely as a settlor or beneficiary of a trust shall be exempt from the provisions of Section 31A-5-303 where less than 20% in market value of the securities having a readily ascertainable market value held by the trust, determined as of the end of the preceding fiscal year of the trust, consists of equity securities with respect to which reports would otherwise be required. Exemption is likewise accorded from Section 31A-5-303 with respect to any obligation which would otherwise be imposed solely by reason of ownership as settlor or beneficiary of securities held in trust, where the ownership, acquisition, or disposition of securities by the trust is made without prior approval by the settlor or beneficiary. No exemption pursuant to this subsection shall, be acquired or lost solely as a result of changes in the value of the trust assets during any fiscal year or during any time when there is no transaction by the trust in

securities otherwise subject to the reporting requirements of Section 31A-5-303.

C. In the event that ten per cent of any class of any equity security of an insurer is held in a trust, that trust and the trustees shall be required to file the reports specified in Section 31A-5-303.

D. Not more than one report need be filed to report any holdings or with respect to any transaction in securities held by a trust, regardless of the number of officers, directors, or ten per cent stockholders who are either trustees, settlors, or beneficiaries of a trust, provided that the report filed shall disclose the names of trustees, settlors and beneficiaries who are officers, directors or ten per cent stockholders. A person having an interest only as a beneficiary of a trust shall not be required to file a report so long as he relies in good faith upon an understanding that the trustee of a trust will file whatever reports might otherwise be required of the beneficiary.

E. As used in this section the "immediate family" of a trustee means:

1. a son or daughter of the trustee, or a descendant of either;
2. a stepson or stepdaughter of the trustee;
3. the father or mother of the trustee, or an ancestor of either;
4. a stepfather or stepmother of the trustee; and
5. a spouse of the trustee.

For the purpose of determining whether any of the foregoing relations exists, a legally adopted child of a person shall be considered a child of the person by blood.

F. In determining, for the purposes of Section 31A-5-303, whether a person is the beneficial owner, directly or indirectly, of more than ten per cent of any class of any equity security, the interest of a person in the remainder of a trust shall be excluded from the computation.

G. No report shall be required by any person, whether or not otherwise subject to the requirement of filing reports under Section 31A-5-303, with respect to his indirect interest in portfolio securities held by:

1. a pension or retirement plan holding securities of an insurer whose employees generally are the beneficiaries of the plan; and
2. a business trust with over 25 beneficiaries.

H. Nothing in this section shall impose any duties or liabilities with respect to reporting any transaction or holding prior to its effective date.

R590-68-10. Exemption for Small Transactions.

A. Any acquisition of securities shall be exempt from Section 31A-5-303 where:

1. the person effecting the acquisition does not, within six months after, effect any disposition than by way of gift of securities of the same class; and

2. the person effecting an acquisition does not participate in acquisitions or in dispositions of securities of the same class having a total market value in excess of \$3,000 for any six months' period during which the acquisition occurs.

B. Any acquisition or disposition of securities, by way of gift, where the total amount of gifts does not exceed \$3,000 in market value for any six months' period, shall be exempt from Section 31A-5-303 and may be excluded from the computations prescribed in Subsection A.2.

C. Any person exempted by Subsection A. or B. of this section shall include in the first report filed by him, after a transaction within the exemption, a statement showing his acquisitions and dispositions for each six months' period or portion which has elapsed since his last filing.

R590-68-11. Exemption From Section 31A-5-303 of Transactions Which Need Not Be Reported Under Section 31A-5-303.

Any transaction which has been or shall be exempted from the requirements of Subsection 31A-5-303(1) shall, as it is otherwise subject to the provisions of Subsection 31A-5-303(2), be likewise exempted from Subsection 31A-5-303(2).

R590-68-12. Exemption From Section 31A-5-303 of Certain Transactions Effected in Connection With a Distribution.

A. Any transaction of purchase and sale, or sale and purchase, of a security which is effected in connection with the distribution of a substantial block of securities shall be exempt from the provisions of Subsection 31A-5-303(2), to the extent specified in this section as not included within the purpose of Section 31A-5-303, upon the following conditions:

1. the person effecting the transaction is engaged in the business of distributing securities and is participating in good faith in the ordinary course of business in the distribution of a block of securities;

2. the security involved in the transaction is:

(A) a part of a block of securities and is acquired by the person effecting the transaction with a view to distribution from the insurer or other person on whose behalf securities are being distributed, or from a person who is participating in good faith in the distribution of a block of securities; or

(B) a security purchased in good faith by or for the account of the person effecting the transaction for the purpose of

stabilizing the market price of securities of the class being distributed, or to cover an over-allotment or other short position created in connection with the distribution; and

3. other persons not within the purview of Section 31A-5-303, are participating in the distribution of a block of securities on terms at least as favorable as those on which a person is participating and to an extent at least equal to the aggregate participation of persons exempted from the provisions of Section 31A-5-303 by this section. However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing these functions shall not preclude an exemption which would otherwise be available under this section.

B. The exemption of a transaction pursuant to this section, with respect to the participation of one party, shall not render the transaction exempt with respect to participation of any other party unless the other party also meets the conditions of this section.

R590-68-13. Exemption From Section 31A-5-303 of Acquisitions of Shares of Stock and Stock Options Under Certain Stock Bonus, Stock Option or Similar Plans.

Any acquisition of shares of stock, other than stock acquired upon the exercise of an option, warrant or right, pursuant to a stock bonus, profit sharing, retirement, incentive, thrift, savings or similar plan, or any acquisition of a qualified or a restricted stock option pursuant to a qualified or a restricted stock option plan, or a stock option pursuant to an employee stock purchase plan by a director or officer of an insurer issuing a stock or stock option, shall be exempt from the operation of Subsection 31A-5-303(2) if the plan meets the following conditions:

A. The plan has been approved, directly or indirectly:

(1) by the affirmative votes of the holders of a majority of the securities of the insurer present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Utah; or

(2) by the written consent of the holders of a majority of the securities of an insurer entitled to vote: provided, however, that if the vote or written consent was not solicited substantially in accordance with the proxy rules prescribed by the National Association of Insurance Commissioners in effect at the time of a vote or written consent, the insurer shall furnish in writing to the holders of record of the securities entitled to vote for the plan substantially the same information concerning the plan which would be required by rules so prescribed and in effect at the time information is furnished, if proxies to be

voted with respect to the approval or disapproval of the plan, were then being solicited, on or prior to the date of the first annual meeting of security holders held subsequent to the later of:

(i) the date the Act first applies to insurer; or

(ii) the acquisition of an equity security for which exemption is claimed. Written information may be furnished by mail to the last known address of the security holders of record within 30 days prior to the date of mailing. Four copies of the written information shall be filed with, or mailed for filing to, the commissioner not later than the date on which it is first sent or given to security holders of the insurer. For the purposes of this subsection, the term "insurer" includes a predecessor corporation if the plan or obligations to participate were assumed by the insurer in connection with the succession.

B. If the selection of any director or officer of the insurer to whom stock may be allocated or to whom qualified, restricted or employee stock purchase plan stock options may be granted pursuant to the plan, or the determination of the number or maximum number of shares of stock which may be allocated to a director or officer or which may be covered by qualified, restricted or employee stock purchase plan stock options granted to any director or officer, is subject to the discretion of any person, then discretion shall be exercised only as follows:

1. with respect to the participation of directors:

(a) by the board of directors of the insurer, a majority of which board and a majority of the directors acting in the matter are disinterested persons;

(b) by, or only in accordance with the recommendations of a committee of three or more persons having full authority to act in the matter of the members of which committee are disinterested persons; or

(c) otherwise in accordance with the plan, if the plan:

(i) specifies the number or maximum number of shares of stock which directors may acquire or which may be subject to qualified, restricted or employee stock purchase plan stock options granted to directors and the terms upon which, and the times at which, or the periods within which, the stock may be acquired or the options may be acquired and exercised; or

(ii) sets forth, by formula or otherwise, effective and determinable limitations with respect to the foregoing, based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares or percentages outstanding from time to time, or similar factors.

2. with respect to the participation of officers who are not directors:

(a) by the board of directors of the insurer or a committee of three or more directors; or

(b) by, or only in accordance with the recommendations of, a committee of three or more persons having full authority to act in the matter, of the members of which committee are disinterested persons.

For the purpose of this subsection, a director or committee member shall be considered a disinterested person only if the person is not eligible at the time the discretion is exercised, and has not at any time within one year prior to this, been eligible for selection as a person to whom stock may be allocated or to whom qualified, restricted, or employee stock purchase plan stock options may be granted pursuant to the plan, or any other plan of the insurer, or any of its affiliates entitling the participants to acquire stock, or qualified, restricted, or employee stock purchase plan stock options of the insurer, or any of its affiliates.

3. The provisions of this subsection shall not apply with respect to any option granted, or other equity security acquired, prior to the date that Subsections 31A-5-303(1)(2) and (3) first became applicable with respect to any class of equity securities of any insurer.

C. As to each participant or as to participants the plan effectively limits the aggregate dollar amount or the aggregate number of shares of stock which may be allocated, or which may be subject to qualified, restricted, or employee stock purchase plan stock options granted, pursuant to the plan. The limitations may be established on an annual basis, or for the duration of the plan, whether or not the plan has a fixed termination date, and may be determined either by fixed or maximum dollar amounts, or fixed or maximum numbers of shares or by formulas based upon earnings of the insurer, dividends paid, compensation received by participants, option prices, market value of shares, outstanding shares, or percentages outstanding from time to time, or similar factors which will result in an effective and determinable limitation. These limitations may be subject to any provisions for adjustment of the plan or of stock allocable or portions outstanding to prevent dilution or enlargement of rights.

D. Unless the context otherwise requires, terms used in this section shall have the same meaning as in the Act and in Section 1 of this rule. In addition, the following definitions apply:

1. the term "plan" includes any plan, whether or not set forth in any formal written document or documents and whether or not approved in its entirety at one time.

2. The definition of the terms "qualified stock option" and "employee stock purchase plan" that are set forth in Sections 422 and 423 of the Internal Revenue Code of 1954, as amended, are to

be applied to those terms where used in this section. The term "restricted stock option" as defined in Subsection 424(b) of the Internal Revenue Code of 1954, as amended, shall be applied to that term as used in this section, provided however, that for the purposes of this section an option which meets the conditions of that section, other than the date of issuance shall be considered a "restricted stock option."

R590-68-14. Exemption From Subsection 31A-5-303(2) of Certain Transactions in Which Securities Are Received by Redeeming Other Securities.

Any acquisition of an equity security, other than a convertible security or right to purchase a security, by a director or officer of the insurer issuing the security shall be exempt from the operation of Subsection 31A-5-303(2) upon condition that:

A. the equity security is acquired by way of redemption of another security of an insurer substantially all of whose assets, other than cash, or government bonds, consist of securities of the insurer issuing the equity security so acquired, and which:

1. represented substantially and in practical effect a stated or readily ascertainable amount of the equity security;

2. had a value which was substantially determined by the value of the equity security; and

3. conferred upon the holder the right to receive the equity security without the payment of any consideration other than the security redeemed.

B. no security of the same class as the security redeemed was acquired by the director or officer within six months prior to redemption or is acquired within six months after redemption; and

C. the insurer issuing the equity security acquired has recognized the applicability of Subsection (a) of this section by appropriate corporate action.

R590-68-15. Exemption of Long Term Profits Incident to Sales Within Six Months of the Exercise of an Option.

A. To the extent specified in Subsection B. of this section, the commissioner shall exempt as not included within the purposes of Subsection 31A-5-303(2) any transaction or transactions involving the purchase and sale, or sale and purchase, of any equity security where the purchase is pursuant to the exercise of an option or similar right either:

(1) acquired more than six months before its exercise; or

(2) acquired pursuant to the terms of an employment contract entered into more than six months before its exercise.

B. Regarding transactions specified in Subsection A., the profits inuring to the insurer shall not exceed the difference

between the proceeds of sale and the lowest market price of any security of the same class within six months before or after the date of sale. Nothing in this section shall enlarge the amount of profit which would inure to the insurer in the absence of this section.

C. The commissioner also exempts, as not included within the purposes of Subsection 31A-5-303(2), the disposition of a security purchased in a transaction specified in Subsection A. of this section, pursuant to a plan or agreement for merger or consolidation, or reclassification of the insurer's securities, or for the exchange of its securities for the securities of another person which has acquired its assets, or which is in control, as defined in Subsection 368(c) of the Internal Revenue Code of 1954, of a person which has acquired its assets, where the terms of the plan or agreement are binding upon stockholders of the insurer except to the extent that dissenting stockholders may be entitled, under statutory provisions or provisions contained in the certificate of incorporation, to receive the appraised or fair value of their holdings.

D. The exemptions proved by this section shall not apply to any transaction made unlawful by Subsection 31A-5-303(3) or by any rules.

E. The burden of establishing market price of a security for the purpose of this section shall rest upon the person claiming the exemption.

R590-68-16. Exemption From Section 31A-5-303 of Certain Acquisitions and Dispositions of Securities Pursuant to Merger or Consolidations.

A. The following transactions shall be exempt from the provisions of Subsection 31A-5-303(2) as not included within the purpose of this section:

1. 2. The disposition of a security, pursuant to a merger or consolidation of an insurer which, prior to merger or consolidation, owned 85% or more of the equity securities of companies involved in the merger or consolidation except, in the case of consolidation, the resulting company;

4. The disposition of a security, pursuant to a merger or consolidation, of an insurer which, prior to merger or consolidation, held over 85% of the combined assets of the companies undergoing merger or consolidation, computed according to their book values prior to merger or consolidation, as determined by reference to their most recent available financial statements for a 12 month period prior to the merger or consolidation.

B. A merger within the meaning of this section shall include the sale or purchase of substantially all the assets of one insurer by another in exchange for stock which is then distributed to the security holders of the insurer which sold its assets.

C. Notwithstanding the foregoing, if an officer, director or stockholder shall make any purchase, other than a purchase exempted by this section, of a security in any company involved in the merger or consolidation and any sale, other than a sale exempted by this section, of a security in any other company involved in the merger or consolidation within any period of less than six months during which the merger or consolidation took place, the exemption provided by this section shall be unavailable to the officer, director, or stockholder.

R590-68-17. Exemption From Section 31A-5-303(2) of Certain Securities Received Upon Surrender of Similar Equity Securities.

A. The person receiving shares is not an officer or director, or the beneficial owner, directly or indirectly, immediately prior to the receipt of more than ten per cent of an equity security of the insurer;

B. The shares surrendered and the shares issued upon the surrender shall be of classes which are freely transferable and entitle the holders to participate equally per share in distributions of earnings and assets;

C. The surrender and issuance are made pursuant to

provisions of a certificate of incorporation which require that the shares issued upon the surrender shall be registered upon issuance in the name of a person or persons, other than the holder of the shares surrendered, and may be required to be issued as of right only in connection with the public offering, sale and distribution of the shares and the immediate sale by the holder of the shares for that purpose, or in connection with a gift of the shares;

D. Neither the shares so surrendered, nor any shares of the same class, nor other shares of the same class as those issued upon the surrender, have been or are purchased, otherwise than in a transaction exempted by this section, by the person surrendering the shares within six months before or after the surrender or issuance.

R590-68-18. Exemption From Section 31A-5-303(2) of Certain Transactions Involving an Exchange of Similar Securities.

A. the shares surrendered and those acquired in exchange, evidence substantially the same rights and privileges except that, pursuant to the provisions of the insurer's charter or other governing instruments, the board of directors may declare and pay a lesser dividend per share on shares of the class surrendered than on shares of the class acquired in exchange, or may declare and pay no dividend on shares of the class surrendered; and

B. the transaction was effected in contemplation of a public sale of the shares acquired in the exchange; provided, that this section shall not be construed to exempt from the operation of Section 31A-5-303(2), any purchase or sale of shares of the class surrendered, and any sale or purchase of shares of the class acquired in the exchange, otherwise than in the transaction of exchange exempted by this section, within a period of less than six months.

R590-68-19. Exemption of Certain Securities From Section 31A-5-303(3).

R590-68-20. Exemption From Section 31A-5-303(3) of Certain

Transactions Effected in Connection With a Distribution.

Securities shall be exempt from the operation of Section 31A-5-303(3) to the extent necessary to render lawful under this section any sale made by or on behalf of a dealer in connection with a distribution of a substantial block of securities, upon the following conditions:

A. the sale is represented by an over-allotment in which the dealer is participating as a member of an underwriting group, or the dealer or a person acting on his behalf intends in good faith to offset the sale with a security to be acquired by or on behalf of the dealer as a participant in an underwriting, selling or soliciting-dealer group of which the dealer is a member at the time of the sale, whether or not the security to be so acquired is subject to a prior offering to existing security holders or some other class of persons; and

B. other persons not within the purview of Section 31A-5-303(3), are participating in the distribution of the block of securities on terms at least as favorable as those on which the dealer is participating and to an extent at least equal to the aggregate participation of persons exempted from the provisions of Section 31A-5-303(3) by this section. However, the performance of the functions of manager of a distributing group and the receipt of a bona fide payment for performing these functions shall not preclude an exemption which would otherwise be available under this section.

R590-68-21. Exemption From Section 31A-5-303(3) of Sales of Securities to Be Acquired.

A. Whenever any person is entitled, as an incident to his ownership of an issued security and without the payment of consideration, to receive another security "when issued" or "when distributed," the security to be acquired shall be exempt from the operation of Section 31A-5-303(3), provided that:

(1) the sale is made subject to the same conditions as those attaching to the right of acquisition; and

(3) a person reports the sale on the appropriate form for reporting transactions by persons subject to Section 31A-5-303(1).

B. This section shall not be construed as exempting transactions involving both a sale of a security "when issued" or "when distributed" and a sale of the security by virtue of which the seller expects to receive the "when-issued" or "when-distributed" security, if the two transactions combined result in a sale of more units than the aggregate of those owned by the seller plus those to be received by him pursuant to his right of

acquisition.

It shall be unlawful for any director or officer of an insurer to effect any foreign or domestic arbitrage transaction in any equity security of an insurer, unless he shall include the transaction in the statements required by Section 31A-5-303(1) and shall account to an insurer for the profits arising from the transaction, as provided in Section 31A-5-303(2). The provisions of Section 31A-5-303(3) shall not apply to arbitrage transactions.
