PREFACE

As required by Utah statute 31A-2-207(5), "Prior to October 1 of each year, the commissioner shall prepare an annual report to the governor which shall include, for the preceding calendar year, the information concerning the department and the insurance industry which the commissioner believes will be useful to the governor and the public."

The Utah Insurance Department, under the direction of Commissioner Neal T. Gooch, presents this 101st Annual Report to Governor Gary R. Herbert and the people of the state of Utah for the year 2009.

Prior to providing information about Utah's insurance industry we would like to share with you some of the highlights and accomplishments the department experienced during 2009.

- The number of Captive insurance organizations grew from 123 at the beginning of the year to 148 at the end of 2009.
- The Insurance Fraud Division received 759 insurance fraud referrals of which 270 cases were assigned for investigation. Ninety-one cases were prosecuted comprised of 305 criminal charges. As a result of these prosecutions, $1,881,198 in restitution was ordered and $249,880 collected. This was all done by nine investigators.
- Health Care Reform - Federal. The Patient Protection and Affordable Care Act (commonly referred to as the PPACA) includes comprehensive insurance reforms, modifications to Medicare and Medicaid, improvements to prevention and wellness options, and tax changes. Some of these changes are immediate; others will be implemented over the course of the next five years. All will dramatically impact regulators, insurance companies, and consumers.
- In 2009 the Producer Licensing Division implemented a requirement, by rule, with few exceptions, for the electronic submission of all applications for new licenses, renewals, reinstatements, appointments, designations, address or name changes, and the submission of background documentation.
- During 2009, the Health Insurance Division actively participated in an advisory role to the Health System Reform Task Force, including it's subcommittees, and assisted with the launch of the Utah Health Exchange.

Rehabilitations/Liquidations

The Insurance Department regulates the business of insurance. It monitors the financial condition of insurance companies incorporated in Utah. When an insurance company becomes insolvent, the Insurance Commissioner is authorized to petition a Utah court to place the company into formal rehabilitation or liquidation proceedings. Such proceedings are court-supervised receiverships in which, as mandated by statute, the Insurance Commissioner is appointed by the court to act in the capacity of a rehabilitator or a liquidator.

Once a court issues an order of rehabilitation or liquidation, the policyholders, creditors, and other potential claimants are notified that the company has been placed into a formal delinquency proceeding. If the company has been placed into liquidation, the Liquidator receives and processes the claims of the company's policyholders, creditors, and other potential claimants. The Liquidator also proceeds to marshal all assets of the company for the benefit of policyholders, creditors, and other claimants.

Once the claims against the company are known and classified, and the assets available to satisfy those claims are known, the claims are presented to and approved by the court. Court approved claims are thereafter paid to the extent the assets will allow.

During 2009 the Utah Insurance Commissioner, as Liquidator, was administering the liquidation of the following five Utah insurance companies:

Wasatch Crest Mutual Insurance
Wasatch Crest Insurance Company
Southern American Insurance Company
American Western Life Insurance Company
National Annuity Company
