Rehabilitations/Liquidations

The Insurance Department regulates the business of insurance. It monitors the financial condition of insurance companies incorporated in Utah. When an insurance company becomes impaired, insolvent or engages in activity hazardous to the company, the Insurance Commissioner is authorized to petition a Utah court to place the company into formal rehabilitation or liquidation proceedings. Such proceedings are court-supervised receiverships in which, as mandated by statute, the Insurance Commissioner is appointed by the court to act in the capacity of a rehabilitator or a liquidator.

Once a court issues an order of rehabilitation or liquidation, the policyholders, creditors, and other potential claimants are notified that the company has been placed into a formal delinquency proceeding. If the company has been placed into liquidation, the Liquidator receives and processes the claims of the company's policyholders, creditors, and other potential claimants. The Liquidator also proceeds to marshal all assets of the company for the benefit of policyholders, creditors, and other claimants.

Once the claims against the company are known and classified, and the assets available to satisfy those claims are known, the claims are presented to and approved by the court. Court approved claims are thereafter paid to the extent the assets will allow.

During 2015 the Utah Insurance Commissioner, as Liquidator, administered the liquidation of the following Utah insurance companies:

- National Annuity Company
- Western Insurance Company
- Wasatch Crest Mutual Insurance
- Wasatch Crest Insurance Company
- Arches Mutual Insurance Company
 - (in rehabilitation in 2015 but converted to liquidation in January 2016)
- American Protectors Insurance Company
 - (liquidation re-opened in 2015)

During 2015, the Utah Insurance Commissioner acting as Liquidator continued with the rehabilitation of:

- Liberty First Risk Retention Group
