FY2019 Results

- o The IFD moved to a new records management system toward the end of FY2019. As a result, data for this past year is more challenging to obtain. However moving forward the new records management system will allow for greater reporting capability.
- o The IFD received over 1,000 fraud referrals in FY2019.
- o Approximately 250 of these referrals were assigned for investigation.
- o IFD investigators filed criminal charges through the Attorney General's Office against 104 defendants related to their insurance fraud investigations.
- o The potential monetary loss attributed to these 104 defendants was \$1,647,184.
- o 76 defendants were sentenced and ordered to pay \$2,239,586 in victim restitution.
- o The IFD was successful in collecting \$191,023 in restitution for victims of insurance fraud.

Success Measures - Defendant Restitution Project Results

For the past 18 months we have been tracking success measures in regards to recovery of restitution from defendants. The goal has been to reduce the number of defendants who are delinquent in making monthly restitution payments. They byproduct of which would be an increase in number of defendants paying restitution and a reduction in orders to show cause which take time away from attorneys, investigators, and legal staff in their current investigations.

Below is a graph showing our change in QT/OE for this time period.

During the past 18 months we have added 144 new defendants owning \$1,766,170 in restitution. Through the ebb and flow of adding new defendants and older defendants completing their restitution requirements, we average 114 active defendants. We have collected payments from 158 different defendants with more than 762 payments totaling \$422,227. We typically average 30-40 defendants who are delinquent in making payments.

Insurance Department Fraud Division

The approach being measured is use of a new payment tracking system to identify defendants who are 60 days delinquent in making payments. We issue warning letters to these defendants in a timely manner, placing them on notice that they have missed payments and are subject to being ordered back before a judge, which could result in jail time.

The results have been to bring defendants more quickly back into compliance. We have worked to eliminate defendants whom we have lost jurisdiction over by sending them to the State Office of Debt Collection. We have filed orders to show cause against 13 defendants which has resulted in several paying in full before their court date. Delinquent letters have resulted in other defendants making payments, some of them also in full.

With our new records management system we are looking forward to our ability to begin tracking success measures for our investigations this coming year.

Rehabilitations/Liquidations

The Insurance Department regulates the business of insurance. It monitors the financial condition of insurance companies incorporated in Utah. When an insurance company becomes impaired, insolvent or engages in activity hazardous to the company, the Insurance Commissioner is authorized to petition a Utah court to place the company into formal rehabilitation or liquidation proceedings. Such proceedings are court-supervised receiverships in which, as mandated by statute, the Insurance Commissioner is appointed by the court to act in the capacity of a rehabilitator or a liquidator.

Once a court issues an order of rehabilitation or liquidation, the policyholders, creditors, and other potential claimants are notified that the company has been placed into a formal delinquency proceeding. If the company has been placed into liquidation, the Liquidator receives and processes the claims of the company's policyholders, creditors, and other potential claimants. The Liquidator also proceeds to marshal all assets of the company for the benefit of policyholders, creditors, and other claimants.

Once the claims against the company are known and classified, and the assets available to satisfy those claims are known, the claims are presented to and approved by the court. Court approved claims are thereafter paid to the extent the assets will allow.

During 2018, the Utah Insurance Commissioner, acting as Liquidator, administered the **liquidation** of the following Utah insurance companies:

- American Protectors Insurance Company
- Arches Mutual Insurance Company
- National Annuity Company
- Wasatch Crest Insurance Company
- Wasatch Crest Mutual Insurance
- Western Insurance Company

During 2018, the Utah Insurance Commissioner, acting as Liquidator, continued with the **rehabilitation** of:

- Liberty First Risk Retention Group

Please see <http://www.utinsreceivers.org/> for further information about some of these companies.
