Insurance Fraud Division

Insurance Fraud:

- Insurance fraud is the 2nd most costly financial crime in the United States behind tax evasion.
- Quickly becoming a crime of choice for organized criminals due to its low risk and high rewards.
- Estimated annual loss — More than \$308.6 billion (*Coalition Against Insurance Fraud 2023*).
 - * Fraud occurs in about 10% of all property-casualty insurance losses.
- Insurance fraud impacts everyone.
 - * The Coalition Against Insurance Fraud estimates that up to 30% of a policy holder's insurance premium is due to charges added to cover industry losses from insurance fraud.
- 43 states have created Insurance Fraud Investigation units to combat insurance fraud.
 - * Many, like Utah, are funded through assessments to the insurance industry while others are funded through general taxpayer funds.

Insurance Fraud Division (IFD) Organization:

- In 1995, the Legislature granted authority to the Insurance Commissioner to investigate violations of the Insurance Fraud Act, and to employ certified law enforcement investigators. ([31A-2-104](#))
- Funded through assessment to the insurance industry:
 - * FY25 assessment revenues — \$3.6 million
- Authorized to recover investigative costs from those charged with insurance fraud:
 - * FY25 investigative cost revenues — \$47,540
- The Fraud Division consists of:
 - * Director
 - * 10 investigators
 - * 2 support staff
 - * 3 assistant attorney general prosecutors (via contract)

Referrals:

- Most referrals come from the insurance industry through Special Investigative Units (SIUs).
- Other sources include: law enforcement, the public, and discovery by IFD investigators during other investigations.

Insurance Fraud Division

 - » Altering valid cancellation documents to predate the cancellation, resulting in refunds the agent then keeps.
- Health Care
 - * Doctor shopping:
 - » Using insurance to pay for doctor visits and medications that are unnecessary or would not have been prescribed had doctor known of prior prescription.
 - * Billing for services not provided:
 - » Using equipment not possessed for services or equipment not provided.

Rehabilitations & Liquidations

The Insurance Department regulates the business of insurance. It monitors the financial condition of insurance companies incorporated in Utah. When an insurance company becomes impaired, insolvent or engages in activity hazardous to the company, the Insurance Commissioner is authorized to petition a Utah court to place the company into formal rehabilitation or liquidation proceedings. Such proceedings are court-supervised receiverships in which, as mandated by statute, the Insurance Commissioner is appointed by the court to act in the capacity of a rehabilitator or a liquidator.

Once a court issues an order of rehabilitation or liquidation, the policyholders, creditors, and other potential claimants are notified that the company has been placed into a formal delinquency proceeding. If the company has been placed into liquidation, the Liquidator receives and processes the claims of the company's policyholders, creditors, and other potential claimants. The Liquidator also proceeds to marshal all assets of the company for the benefit of policyholders, creditors, and other claimants.

Once the claims against the company are known and classified, and the assets available to satisfy those claims are known, the claims are presented to and approved by the court. Court approved claims are thereafter paid to the extent the assets will allow.

During 2024, the Insurance Commissioner, acting as Liquidator, **administered the liquidation** of the following Utah insurance companies:

- Arches Mutual Insurance Company
- Opticare of Utah
- Wasatch Crest Insurance Company
- Wasatch Crest Mutual Insurance
- Western Insurance Company

Please see <https://utinsreceivers.org/> for further information about these companies.
